

We are very involved, not only in the classroom with your child, but also throughout the school. We strive to host one family event each nine weeks. Some of the events we have had in the past include Parents & Pastries, Family Movie Nights, Family Game Nights, and the end of year picnic. These events are very important to us because they bring you, the parents/guardians, into the school for a fun time with your child.

We support the students in their reading goals with events throughout the year. This may be with rewards for students who meet their AR goal or other incentives. We also hold a book fair in the fall and spring of each year. There are plenty of opportunities to volunteer and be an active part of our school.

Yucca Elementary Supporters

Y.E.S. is a group of parents and teachers who desire to be a positive and proactive part of their child's education. Throughout the year, there will be many opportunities to make a difference for our Yucca family. We encourage you to get involved by looking for information on meetings, activities, and opportunities to make this year the best one yet!

Y.E.S. are passionate about parental involvement and their positive impact in the community. They will aspire to have good communication with fellow members, the school and all those involved with **Y.E.S.** Members will be visible as much as possible throughout the school year. This may include open house, awards assemblies, family events, school incentives and other activities.

The ultimate goal of **Y.E.S.** is to see Yucca Elementary School children succeed and to fulfill their highest potential.

GET INVOLVED

Join us on the third Wednesday of each month. We will meet to discuss the upcoming activities and school events. Meetings take place in the library at 3:45. Childcare is always provided.
