

Class of 2021 Transcript Request Form

This request form is ONLY for the Class of 2021!

Please follow the link to the Transcript Request Form to request your transcripts be sent to the college(s) you have applied for.

This form is the only way for you to request your transcripts to be sent to colleges. **Please know that if you send an email, Teams message, or Remind, you will be asked to follow this link and make the request official through the Transcript Request Form.** This is to make the process easier and streamlined for everyone. I have several venues of communication with each of you and it is difficult to keep track of what everyone needs. I am hoping this makes the process quicker and more efficient for all of us!

Thank you for your help and understanding.

Mrs. Goff
