

-This week's ruling from the U.S. District Court of Western PA has caused some confusion for all of us.

-Governor Wolf is appealing this ruling and has asked for a Stay on the ruling. If granted, the Stay would require us to follow the 250/25 spectator limit.

-This ruling will allow us more flexibility for our indoor event planning.

-In our local area, this only impacts McKean County. Potter and Cameron are located in a different region (as defined by Federal Courts).

-We still must plan appropriately for all events, with the safety of our students and staff in mind. Our priority is keeping our buildings open for instruction. Other schools in PA will adapt their spectator plans as they see fit. We must plan appropriately for Otto-Eldred.

-Home Football planning will not change. Only home spectators will be permitted (with game pass) for all home football events.

-We will provide each volleyball player with a pass for 2 spectators. Games will continue to be streamed on YouTube.

-These passes are only good only if the ruling is in effect. If a Stay is granted, we will not be able to allow any spectators to home VB events.

Thank you for your cooperation!
