

The Terror Tribune

Principal's Corner

Greetings!

It's hard to believe that the first nine weeks has come to a close. October has been a busy month filled with various educational activities. Students were able to participate in activities centered around fire safety, bus safety, and red ribbon week. Even with inclement weather, we were still able to hold our annual Halloween parade and livestream it for families and community members to enjoy!

With colder months approaching, please remember to send children with coats, hats and gloves. We will be accessing the outdoors as much as possible during class time and recess.

This is the beginning of the busiest time of the year. Please remember to take a minute for yourselves and families. Take a break from the daily rush and enjoy the outdoors. We appreciate you and all that you do to support our school!

We are looking forward to a smooth and successful 2nd nine weeks. Please remember to access our parent portal to stay current with your student's assignments, tests, and attendance. You can visit www.ottoeldred.org to learn more about parent access.

Counselor's Corner:

Help! Our turkey is naked! The November character of the month is THANKFULNESS. No matter how hard things get, we need to remember there is always something to be thankful for. Each student will receive a feather in art class this week to take home and decorate. Instructions will be included. Please return to either Ms. Alfieri or Mrs. Maxson by November 8th. We will dress our turkey and share pictures via social media. Thank you for your help!

I am thankful everyday for you and your children. As always, please reach out if I can help you or your family in any way. - Ms. Alfieri

Café' Corner

- All meals for the 21-22 SY are free due to Federal waivers.
- On-line applications are still being accepted (School Cafe) and are used for other funding to help children and families.
- Supply chains are starting to create issues with available items and paper products causing menu changes and less flexibility.
- Please be assured students still have several daily choices and we are able to meet the daily government requirements
- If you ever have questions or concerns please reach out to Mrs. Val Nichols, Kitchen Manager or Chris Krott, Food Service Director

Library Corner:

Happy Fall Greetings! The library has two important announcements! First, we have hit the end of the marking period! As district policy, any overdue book needs to be renewed/returned in order to receive report cards. If a book is damaged or lost, the book will need to be paid for. Reminders have been going home with students who have overdue books. Second, Book Fair is almost here! The Fall Book Fair this year will take place on Monday, November 8th - Friday, November 12th. There will be NO Bingo for Books this year. All Book Fair purchases will need to be made during school hours with students. I highly recommend utilizing the eWallet option Scholastic offers. This allows you to place money into an account that I see directly at checkout! No more bringing in cash or checks for students! You can divide the money amongst siblings if you choose to do so! Check out the Book Fair paperwork that will be sent home for more information. As always, please feel free to reach out to Mrs. Burkhouse at rburkhouse@ottoeldred.org if you have any questions!

Nurse's Nook:

Screenings are complete at the Elementary School! Student Health Report Cards (screening results) will be mailed out this month. If a vision referral was sent for your child, please see an eye care specialist as soon as possible. If your child does not have vision coverage for an exam and glasses, please contact me as there are programs available. I can be reached at mtemplin@ottoeldred.org or you can call the school at 814-817-1380.

Mobile Dentist was here in October and will return in May. If your child was seen in October, there is no need to complete paperwork again for the Spring visit. -Mrs. Templin

VETERANS DAY- November 11th

Why do we celebrate Veterans Day? On the 11th hour of the 11th day of November, the Germans came to an armistice with the Allied Powers to surrender future attacks, effectively ending WWI. On this day, we celebrate those who have served our country in the military. Thank you to all of those who have served!
