

TRUANCY MENTOR

Nurturing Parenting Program

- The Nurturing Parenting Program is an evidence based program.
- Research shows served families demonstrate significant improvements in parent and peer relationships, communication and problem solving skills, academic success, school attendance, and compliance to rules and expectations.
- Families report increased communication, bonding, and reduced stress.
- The Nurturing Parenting Program is free for McKean County families.

Are you having trouble getting your child to school?

Are you looking for ways to increase communication with your child?

Are you looking for ways to help your child deal with being bullied?

Does your child complain that he or she does not like school?

Are you frustrated with your child's behavior?
