## Seniors in Art!

*Colleen Lewis- Senior*

After I graduate high school I plan on attending university and following a career in International Development. I plan to travel many parts of the world and speak a few different languages along the way.

*Autumn Heller - Senior*

After I graduate high school, I plan to go to college to major in Humanities. I hope to find a great job with that degree.

*Kirsten Renninger – Senior*

After graduation, I plan on attending college to major in communications with a specialization in creative media. Art has helped me open up in ways that I plan on using to get my degree at college.

*Candace Lee - Senior*

After I graduate high school, I plan on going to college to major in Social Work and then hopefully becoming a Drug and Alcohol Counselor to help people recover from addiction.

*Jamie Smith – Senior*

After I graduate high school, I plan on getting accepted into a college on-line for business management. Then the next year going to college for Photography.

*Brookelynn York – Senior*

After graduation, I plan on attending Mansfield University and get a dual major in Early Childhood Education and Special Education. Art has taught me that everyone has different ideas and

thoughts, which will help me when I go to college.

**Art Dept. Events:** December 1<sup>st</sup> High School Art Show – Rotunda

High School Fine Arts Night

May Elementary 6<sup>th</sup> Grade Art Show

IU9 Art Night April

St. Bonaventure High School Art Show

## OE Artists Honored at Charles Cole Memorial Hospital

On Oct. 3, 2016 Otto-Eldred art students Tiffany Bair and Autumn Heller were recognized during the Charles Cole Memorial Hospital regional dinner at the Coudersport Consistory. The art student's artwork was selected to represent the hospital during their 50<sup>th</sup> Anniversary yearlong celebration. The students created the artwork in their digital art class at Otto-Eldred in the spring of 2016. After being selected as first and second place recipients, each student received a \$250.00 award. The student's banners will be on display on the hospital's campus during the spring and summer of 2017.

# Artsonia.com

Mrs. Maxson

Since 2007, Otto-Eldred School District has used the services of Artsonia.com to gather student work into a digital art gallery. We started by just gathering a few 5<sup>th</sup> grade block print projects and then in 2011, we began adding other grades and projects.

- Parents place orders directly on the website.!
- Orders ship directly to the parents.

Need: Log in and password

- The more artwork you publish; the more gifts family members can choose from (which earns us more funds).
- OE Art Dept. earns 20% of all orders placed by parents in our gift shop!

### Art Club News: Terrorfest

As the President of the Art Club, I, Autumn Heller, was very pleased with the outcome of our face painting table at the Terrorfest. We had many kids come up and want their face painted. I was also very pleased with all the people who showed up. Along with our teacher, Mrs. Maxson, Colleen Lewis, Vice President, Jerri Brown and Ashley Renninger, Secretary, all showed up to face paint. We had such a great time and I would really enjoy to do it again.

## Artrageous

Oct. 6th  
University of Pittsburgh at Bradford  
38 High School Art Students

Mrs. Maxson

On Oct. 6<sup>th</sup> 2016 thirty-eight art students attended “Artrageous’s” special matinee. The performance art (creating large scale murals) was accompanied by dancing, singing, and audience participation. After the performance students had a question and answer session with the artists and performers. In the photo above OE students Colleen and Shauna showed that Otto-Eldred students have no fear of performing in front of an audience!
