Head Coach: Hunter Tibbs

Asst. Coach: Sierra Tibbs

Asst. Coach: Danee Ullery

Athletic Director: Yancey DeVore

Athletic Secretary: Christina Montiel

Mingus Families and Friends,

We are excited to get things up and going for our athletic programs and provide these opportunities for our students. With games quickly approaching we will have to make some modifications to assure we are following proper protocols and guidelines to protect all stake holders. Mingus Union High School will be adhering to the following procedures when it comes to home events for our athletes. No other spectators will be allowed at our events, we will do our best to utilize social media to provide our community with an opportunity to see football, volleyball and swim events.

- **Football/Cheer:** Each player competing will get two tickets. They can be distributed how the family sees fit. All adults must adhere to wearing a face covering (mask or shield) while on our campus and practice social distancing. The opposing team will be sent the same number of tickets for them to distribute how they see fit; however, they will have to adhere to the same guidelines.
- **Volleyball:** Same as football with the exception, families will have to leave after each game (FR/JV/V game), they will not be permitted to stay if their daughter is not playing.
- **Golf/Cross Country:** Parents must wear face coverings and practice social distancing. Must follow proper protocols as per the course for which the team is playing on.
- **Swim:** We will be offering virtual meets only. We will issue one ticket per athlete, this is due to the limited seating capacity of the city pool. They can be distributed how the family sees fit. All adults must adhere to wearing a face covering (mask or shield) while at the event and practice social distancing. *We will not be offering concessions during any of our events. Thanks for your understanding and support of Mingus Union High School during this time.
