<p><b>Face Covering Policy</b></p>	<p><b>Face Coverings</b></p> <p><i>All persons, including, but not limited to, staff, students, vendors, visitors, and volunteers, shall wear a face covering while on any District property, in any District facility, at any District event, whether indoors or outdoors, and in any District vehicle, including District busses or vehicles rented or leased by the District.</i></p> <p><i>Cloth face coverings should not be worn by:</i></p> <ul style="list-style-type: none"> <li><i>A. Children under the age of 2;</i></li> <li><i>B. Anyone who has trouble breathing;</i></li> <li><i>C. Anyone who is unconscious, incapacitated, or otherwise unable to remove the mask without assistance.</i></li> </ul> <p><i>Students under the age of five are not required to wear face coverings.</i></p> <p><i>Students shall not be required to wear face coverings when students can socially distance or are outside in athletic or physical education settings with distancing. Students shall be allowed breaks to remove their face covering in a safe environment.</i></p> <p><i>The Superintendent may make exceptions to the requirement to wear a cloth face covering while keeping in mind the health and safety of everyone involved. Face shields may be an acceptable alternative to face coverings. Face coverings are to fully cover a person’s nose and mouth, ideally fitting snugly but comfortably against the sides of the face and under the chin. They are to remain affixed in place without the use of one’s hands and are to not have holes. They are to be laundered regularly or disposed of appropriately.</i></p> <p><i>A face covering does not replace the need for frequent handwashing, covering coughs and sneezes, and practicing physical distancing (six feet [6’] away) to the extent possible. Individuals are to be reminded to avoid touching their face covering and to wash their hands frequently. To ensure the proper use of face coverings, staff and students are to be educated on how to wear and care for their face coverings.</i></p>
<p><b>Mask Compliance</b></p>	<p><b>If you are choosing the in-person learning model for your student, please speak with your student about wearing their face covering at all times. Our resources are better spent on educating our young people than spending time on face-covering compliance. If a student fails to comply with reasonable requests, they will be sent home.</b></p>
<p><b>Quarantine</b></p>	<p>Exposure is defined as being within 6 feet of a COVID-positive person for 15 continuous minutes or longer. Exposure also takes place with direct touch – no matter how long. If your student is exposed, they will be sent home with further direction.</p> <p>At this time, those who have been vaccinated will still follow all quarantine guidance and protocols.</p>
