

FAMILYID REGISTRATION INSTRUCTIONS

Parent/Guardian of Mingus Union Athlete:

Please read the directions below slowly and carefully. They will help guide you through this online FamilyID Registration for MUHS Athletics.

FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible.

When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

INFORMATION NEEDED TO REGISTER for 2020/2021:

Please note: Once you start this process you must finish as the program will not save partial information. DO NOT use back button or all your entered information will be deleted.
