Re: Approval of Arizona Online Instruction Application

Dear Superintendent,

Thank you for applying to provide Arizona Online Instruction (AOI). I am pleased to inform you that you have scored at or above the cut score on the full evaluation and therefore, pursuant to the Abridged AOI Application Procedures adopted by the Arizona State Board of Education on May 18, 2020, your application to establish an AOI has been approved for the 2020-2021 school year. You may begin operating the AOI in the 2020-2021 school year as articulated in your approved application.

If you intend to make significant changes to the AOI that deviates from the approved application, you are required to resubmit the application to the State Board of Education.

We have notified the Arizona Department of Education's School Finance Division of your approval, but please submit an Entity Profile request and this letter to School Finance's Help Desk: <http://helpdeskexternal.azed.gov> in order to establish the AOI in ADE's systems.

Again, congratulations on your successful application. I wish you success as you work to develop quality teachers and improve the academic performance of Arizona's students.

Respectfully,

  
Alicia Williams  
Executive Director
