Mike Myers
Board President
Bowie Unified School District No. 14
P.O. Box 157
Bowie, Arizona 85605

Dear President Mike Myers:

It is with mixed emotions that I notify you that I am not seeking renewal for my position as Superintendent of the Bowie Unified School District effective June 30, 2021. I will not be seeking renewal of my contract and will complete my contractual responsibilities through that date. I have appreciated being part of the Bowie Unified School District and at the completion of my contract on June 30, 2021, it will be time for me to move on to other opportunities.

The Bowie Unified School District is very fortunate to have such a committed leadership team. We have provided strong leadership establishing a sense of direction and putting students first in every decision we make. With our leadership we have accomplished:

- filling all teaching positions with Highly Qualified Staff;
- receiving certification for the Bowie High School as an Arizona Online Certified School
- maintaining governing board approved student: teacher ratio during pandemic times;
- awards of over hundreds of thousands of dollars in grants;
- decreasing expenditures while maintaining a balanced budget with minimal student impact;
- implementing professional development for administrators and teachers to create achievement and enhancement of effective teaching and learning; most of it provided free of charge from Cochise College and other gracious entities
- raising Bowie Elementary's letter grade from a "D" to "B" from ADE site visit

- Awarded most improved school by the Cochise County Superintendent's office 2019
- Increased enrollment over any period of time (currently 70 without preschool)
- Increased safety of all students on campus, increased security on campus
- Increased safety of all school vehicles including revival and certification of the school bus

There are many more achievements that have occurred during my tenure, and these are only the most significant highlights that supported our progress and academic achievement of students. These accomplishments are a powerful testament of the good work that has been done and the commitment of the staff and teachers. It is my sincere hope that the Bowie Unified School District 14 continues to grow and see the future success that is desired. I wish the community and the district only the very best success in the future and it is my hope that the momentum will continue to support the educational advancement of all.

Thank you again for the opportunity.

Respectfully,

Wendy Conger
