*Where responsible, inquisitive learning begins...*

March 23, 2021

Dear Parents of students in grades 3-5,

A student who may have had, or been in contact with, another child who may have had, or been in contact with a child who may possibly have had Hand, Foot, Mouth Disease. The Cochise County Health Department was contacted. Directions were to take the possibly sick child home, disinfect and clean the classroom. The UV sterilization machine was utilized along with disinfectants, not only in the classroom but also the school bus. The child was taken home, This is a mild viral contagious infection caused by coxsackie virus (not COVID). Symptoms include a fever and a sore throat. Please call your child's doctor if your child exhibits these symptoms. Do not send them to school until they are fever free for at least 24 hours.

Sincerely ,

A handwritten signature in black ink that reads "Wendy Conger". The signature is written in a cursive, flowing style.
