Welcome to the Bowie Unified School District!

There is no goal more important than creating and maintaining a safe, supportive, and nurturing learning environment for every student in our schools.

The most important factor that determines whether or not we achieve this goal, is you, the student. When you make a commitment to safety, personal responsibility, and kindness, you are also making a commitment to personal excellence.

Please read this document with your parents/guardians. It is important for you to understand our standards and expectations for behavior at school. By following the handbook, you can help our school district become a safer and more supportive environment for all students and staff.

Amazing schools are places where learning happens, where kids succeed academically and emotionally, and where learning environments are safe, supportive, and inclusive of all students. Please do your part to make sure that our schools are amazing.

VISION STATEMENT

Where responsible, inquisitive learning begins...

NOTIFICATION

Parents' Right to Know, this is a notification from Bowie Unified School District #14 to every parent of a student in a Title I school that you have the right to request and receive information in a timely manner regarding the professional qualifications of your student's classroom teachers.

NOTICE OF NONDISCRIMINATION

Bowie Unified School District does not discriminate on the basis of race, color, national origin, sex, age or handicap in admission or access to, or treatment or employment in its educational programs or activities. Inquiries concerning Title VI, Title IX may be referred to the Superintendent, and Section 504 may be referred to the Section 504 Coordinator, by calling 520-847-2545.

NOTIFICATION OF RIGHTS UNDER FERPA

1. The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:
2. The right to inspect and review the student's education records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The Principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
3. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
4. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law

enforcement unit personnel); a person serving on the *Governing Board*; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

5. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.
6. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue, S.W.
Washington, D.C., 20202-4605

PLEDGE OF ALLEGIANCE

Students are expected to stand and show respect to those that participate in the Pledge of Allegiance.

FIRE, DISASTER, EMERGENCY DRILLS

In each room, evacuation routes are clearly posted. At the sound of the alarms, the following student behaviors are expected:

- Students should leave rooms or outside areas as quickly as possible in an orderly fashion.
- Students in classes are expected to stay with their class and to meet in the designated area.
- Students should not return to buildings until the "all clear" has been announced.

PARENT/GUARDIAN INVOLVEMENT

Parents/guardians are encouraged to be involved with their school. Parents are also strongly encouraged to volunteer in the classroom, assist with homework, attend school board meetings, and to serve as chaperones at activities/field trips. It is required to check-in the office and obtain a visitor's pass before going to the child's classroom.

CLOSED CAMPUS

Bowie School campus is a **closed campus**. This means that students are not to leave campus, morning time or lunchtime, and upon arrival at school. Only verified work-study or half-time students will be permitted to leave campus. If there is a valid request (i.e. doctor appointment, court hearing), the student must be released through the office. Students are not permitted access to vehicles and/or parking lot during school hours or at lunch.

STUDENT CHECK OUT

Parents/Guardians must call, come to, or send a written note to the office to request the early release of a student. All students leaving school early for any reason must be signed out through the office before leaving.

VISITORS

All visitors to campus must first sign in at the *Administrative Office* to get a pass. Students are not permitted to bring visitors or family not enrolled in Bowie Schools. Visitors are subject to all school rules and regulations. According to ARS 15-507 a person who abuses a teacher or other school employee on school grounds or while the teacher or employee is engaged in the performance of his/her duties is guilty of a class 3 misdemeanor-possible penalty- up to thirty (30) days in imprisonment and/or up to a \$500,000 fine. We appreciate your cooperation in keeping our campus safe.

ATTENDANCE POLICY & PROCEDURES

The parent or guardian is charged by law with responsibility for the student's consistent school attendance. The superintendent/principal/designee will enforce the laws regarding attendance, with consideration for the variables that affect children and families. The superintendent/principal/designee will place emphasis on the prevention and correction of the causes of absenteeism.

Bowie School District has a four-day school week to encourage students and parents to make appointments on Fridays. When students miss class during the four-day week, they probably miss more school than they might for a five-day week. Good school attendance is required for academic success, and this includes getting to school and to class on time.

If a student is absent, the parents/guardians should call the school office (520-847-2545) before 8:00 AM. Upon returning to school, students are required to bring a note explaining their absence, which must go to the office to get an Admission Slip before going to class. Failure to call in an absence or to send a note will result in an unexcused absence.

Considerations

- 1.) The following reasons will be accepted as excuses for being absent:
 - A. Verified Legal Appointment, such as court
 - B. Religious Holiday
 - C. Funeral/Death in the family
 - D. Verified illness or hospitalization
 - E. Communicable Disease (Flu, measles, etc.)
 - F. Pre-approved Request/Special Circumstance
- 2.) Absences will only be excused if the office receives written verification within 24 hours of the student returning to school. Any absence unverified by the end of the next school day is considered unexcused.
- 3.) The student is responsible for getting all missed work from teachers. The student will be granted time to complete missed work equal to the time missed (i.e. one make-up day for one day absent).
- 4.) Students who go on field trips or engage in other school related/sponsored activities are counted present.
- 5.) Students who wish to visit colleges, technical colleges, or other postsecondary institutions will be counted present in school if they follow the proper procedure.
- 6.) Students who miss classes to be inducted into the United States armed forces will be counted present in school if proof is provided by the students' recruiter.
- 7.) Students over 15 years of age must maintain 8 or less absences in each class. Students not meeting these requirements may be considered choosing not to comply with school policies [habitually defiant] and may be withdrawn.
- 8.) In cases where a student is 18 years old and still living with parents, all notices must come from the parents who are considered the responsible party.
- 9.) Students enrolling in the preschool program must register and attend kindergarten in Bowie schools the following year. Transportation is not provided for preschool children.

No Credit

Students are expected to have at least 80% attendance to earn credit. If a student is absent more than 10 days in the same class, excused or unexcused, he or she may lose credit for that class.

Tardies

- ✓ A tardy is being late (unexcused) and/or not in the assigned classroom ready to learn when the bell rings.
- ✓ An excused tardy is when the student reports to the assigned classroom with an official written pass.
- ✓ Three (3) unexcused tardies from the same class shall equal one unexcused absence for that class, and will be counted towards the cumulative total under No Credit.

Pre-approved request/special circumstance

In certain circumstances when it is necessary for a student to be absent for an extended amount of time, notification should be made to the school at least thirty (30) days prior to the absence. Filing a request does not guarantee approval.

The following criteria will be considered:

- A. Grades—must have a passing grade in each class.
- B. Attendance—amount of prior absences/tardies.
- C. Behavior—prior referrals, disciplinary actions, etc.

Students must arrange all class work prior to the absence and complete all work by a predetermined date.

MAKE-UP POLICY

When a student is absent whether excused or unexcused, they will be allowed to make up assignments as follows:

- The student is responsible for getting all missed work from the teacher(s).
- The student will be granted time to complete missed work equal to the time missed (i.e. one make-up day for one day absent).

PASSES DURING CLASS TIME

Students should not be out of class during class time unless they have a written pass or referral slip from their teacher. Students should use the restroom, get a drink of water, get books, etc., before school begins, at lunch, and between periods.

ENTERING AND WITHDRAWING FROM SCHOOL

Registration: To register in school for the first time, a birth certificate or other satisfactory evidence of age will be necessary. The school must maintain health records on each child. Immunization records must be submitted and reviewed before a student can be enrolled. Students will not be admitted without up-to-date immunizations. Parents/guardians will be asked to fill out registration forms. Any other information that will help the child should be provided.

Transfer and Withdrawals: If you plan to move let the school know at least three days in advance. It is expected that outstanding fees will be paid and all textbooks and library books will be returned in good condition or paid for before the withdrawal process is completed.

NOTIFICATION OF CUSTODY ISSUES

You must notify the school of any custody issues surrounding your child. This will help to insure your child's safety as well as eliminate any problems that might arise because of such issues. The school must have in their possession a copy of any legal paperwork concerning custody issues and your child.

IMPORTANT NOTICE

You must notify the office if you move to a new location, get a new phone or have a change of phone number or mailing address.

ENROLLMENT IN COLLEGE CLASSES

Students may have the opportunity to enroll in college classes. Prior approval of the administration is required.

SCOPE OF RULES OFF CAMPUS

Under "Scope and Authority" - School rules may be enforced for conduct occurring off campus and away from school sponsored events without regard to the time of day where the motivation for the misconduct arose out of the school environment or the misconduct affects the educational and orderly mission and function of the district or endangers the members of the school community.

FIELD TRIPS

All school rules apply to any student while involved in extra-curricular activities, field trips, sporting events and any other school related activities. Students who travel to outings in the school vehicle must return in the school vehicle, unless written parental permission is approved by the administration in advance. Students who fail to cooperate with the rules are subject to disciplinary action and may be banned from any or all future trips and outings.

INTERPERSONAL RELATIONS

Students are expected to restrain their physical contact in inter-personal relations. Excessive displays of affection are considered unacceptable on school premises. Repeated infractions may be subject to disciplinary actions. No kissing or excessive hugging, as determined by administration. It is best to keep hands to yourself.

BEHAVIOR EXPECTATIONS FOR ASSEMBLIES & PROGRAMS

Throughout the year, the student body is brought together at assemblies for various programs. Appropriate behavior during assemblies is required. Booming, whistling, or distracting the people on stage, in any way, may merit the loss of assembly privileges or result in other disciplinary action.

FUNDRAISING/SALES/ADVERTISING EVENTS ON SCHOOL PROPERTY

All School related fundraising/sales events must be approved in advance by the Student Council and the Administration. Any outside advertising of events must have prior approval of the Administration.

EXTRACURRICULAR ACTIVITIES

In order to participate, students must be passing every class in which they are enrolled. Any vehicle driven to school must remain on the parking lot and not be driven during school hours. Going to and from the parking lot during classes is strictly prohibited. BICYCLE/SKATE BOARD/ROLLER BLADES AND SKATES: USE ON CAMPUS

Use is not allowed on campus during school hours.

HEALTH SERVICES

If a student becomes ill at school, parents/guardians will be notified. The best place for a child who is ill is at home in the care of an adult. With respect to written expression and circulation of petitions, students are entitled to express in writing their personal opinions. These opinions should be signed by the author and meet standards prohibiting libel (any written or printed material tending to injure a person's reputation unjustly), pornography, or intentional distortion or reckless disregard of facts.

STUDENT EXPECTATIONS

Each student is responsible for helping to create and maintain a school environment which is safe and conducive to learning. He/she shall:

- Model acceptable behavior at school.
- Be responsible for his/her own actions and the consequences of those actions.
- Show consideration and respect for fellow students, for the school staff members and for school property.
- Display physical and verbal self-control and seek other methods of dealing with problems.
- Confer with his/her parents, teachers and the principal in solving recurring discipline problems.
- Participate in the development of the school's student behavior expectations.
- Work toward understanding and displaying self-discipline.
- Recognize that students are in school to learn and that order and structure help to create an environment where safe, productive and uninterrupted learning can occur.

ROLES AND RESPONSIBILITIES

The responsibility of maintaining positive, constructive behavior within the school is a cooperative effort, shared by students, parents/guardians, teachers, administrators and support staff. The active involvement of and support by teachers, parents/guardians, administrators and other school staff is critical in helping the student understand the value of good conduct and its relationship to individual learning and success. Teaching and assisting students to develop positive/productive attitudes and behaviors will enable them to be active learners and valued contributors to the school community.

CONFISCATION OF ITEMS

Items which may disrupt or interfere with the educational process may be removed from a student, this includes cell phones. Items may be returned to the student's parent/guardian. Items which are illegal will be turned over to the police.

UNINTERRUPTED INSTRUCTIONAL TIME

Each school and/or grade level has time designated for uninterrupted instruction. The school protects instructional time by ensuring classes are not interrupted with announcements or messages from home. When you have messages, materials, lunch money, etc., please take them to the school office.

HOMEWORK

The purpose of homework is to provide additional practice on previously introduced skills or to enrich classroom experiences. Homework includes such activities as brief drills, reading, collecting information, sharing ideas with parents/guardians, and projects/assignments in which the student must use their time in creative thought. The amount of homework assigned varies based on the student's grade level.

An additional purpose of homework is to encourage the student to develop effective study skills, self-discipline, work ethics, and individual discovery habits which are integral and indispensable elements of a quality educational process. The student is responsible for understanding homework expectations before leaving school and for completing the assignments on time. Parents/guardians can support the homework program by providing the student with time necessary to complete the work and a quiet, well-lighted place to study.

ELECTRONIC DEVICES

Cell phone use is not encouraged at school. If you choose to send your child to school with a cell phone, it needs to be in a child's backpack on silent mode. Students may not take unwanted pictures of students or staff members with their cell phones or any other device as it is a violation of the privacy rights of individuals. If a student chooses to disrupt the classroom or school because of cell phone use, then it will be taken away and given to the parent/guardian.

Electronic devices such as handheld games, iPads, cameras, or other sound/electronic equipment are not allowed in the classrooms or academic settings unless permission is given by the teacher. Students should think carefully before deciding to bring valuable electronic devices onto campus. Students may be asked to change into clothing the school has on hand if dress is inappropriate Please check your child before they leave the house to ensure they are dressed appropriately.

At any time, your child could be sent home to change into more appropriate attire.

DISCIPLINE

The jurisdiction of the school is primarily limited to the school premises or a school-sponsored function. However, severe violations of the law which occur off the school premises may result in disciplinary action if continued attendance in school or at a school sponsored function is likely to be detrimental to the welfare of the majority of students. Factors to be considered in these cases include the kind of violation which has occurred, the actual guilt of the student, the previous record of the student and the cooperativeness of the student and parents/guardians.

In addition, school rules and other reasonable expectations for acceptable student behavior are extended to include student conduct while going to and from school, off campus time during the normal school day, lunch hour and released periods and while attending or participating in any school sponsored activity. A student is considered at all times and places a member of the Student Body as long as he/she is enrolled in school, and all rules and regulations shall be binding on his or her conduct. Zero tolerance for drugs and/or alcohol. Know and understand the School and District's policies! **No tobacco, cigarettes, electronic cigarettes, or vaping is allowed on school grounds.**

STEP ONE: The classroom teacher will notify the parents/guardians by telephone or letter regarding the problem their child is causing in the classroom. The date and conclusions arrived at with the parent will be noted on a discipline referral form by the teacher.

STEP TWO: If the problem is not resolved or recurs following Step One, the classroom teacher will refer the student to the "designated disciplinarian". The "designated disciplinarian" will attempt to mediate the problem by consulting with the student, the parent and the teacher. The "designated disciplinarian" will record the conclusions reached on a discipline referral form.

STEP THREE: The student will be sent to the administration with a discipline referral form. The administration will take whatever action the situation warrants and will record the outcome on the referral.

We expect every staff member to be treated with respect and dignity just as the student should receive the respect of the staff. It is imperative that the teacher be in charge of the class. Anything less would lead to a poor educational opportunity for all. A show of disrespect toward a staff member or insubordination on the part of the student will not, under any circumstances, be tolerated.

Prior Misconduct

Occasions of prior misconduct where a student has previously received discipline can be considered in subsequent student disciplinary proceedings to justify additional disciplinary consequences where it is established:

- a) The student has not benefited from prior and usually less severe disciplinary intervention, or:
- b) The student is engaging in continued disruptive or disorderly behavior.

Minor Offenses - Consequences

First Offense - Usually verbal warning, sometimes also including loss of free time (lunch time detention, before and after school detention), and/or the requirement to complete an extra assignment (such as a written apology or promise of improved behavior).

Second Offense - A verbal warning, parental contact, in-school suspension, and/or multiple detentions, and additional consequences similar to those described above will be imposed.

Third Offense - A combination of consequences as described above in addition to a required parent-teacher conference designed to develop an individual behavior improvement plan or a behavior contract, or completion of extra assignments. At this level, out-of-class suspension, including long-term in school suspension may be an aspect of the punishment.

Repeated Offenses or Serious Disruption of the Classroom or Event

Any student disrupting the learning environment for others in a manner considered serious in nature, such as loud defiance, profane language, or general insubordination, will be immediately removed from the classroom or event and sent to the office. Serious disruptions may be subject to legal action taken by the school and/or criminal charges being filed. Using progressive consequences, the Teacher and Administrator will determine the appropriate punishment which may include any of the above consequences including long-term out-of-school suspension or recommending expulsion from school.

Note: Generally, progressive discipline means a gradually increasing level of punishment for repeated offenses or for offenses considered more severe in nature. Depending on the seriousness of each offense, however, any action may be taken out of sequence as deemed appropriate resulting in the student starting at a more serious consequence.

HAZING/INITIATION

There shall be no hazing, solicitation to engage in hazing, or aiding and abetting another who is engaged in hazing of any person previously, currently, or intending to enroll as a student of the District. "Hazing" means any intentional, knowing or reckless act committed by a student or group of students, against another student where the act is committed in connection with an initiation into an organization affiliated with the District; such as, athletic teams, association order, clubs or similar groups.

HARASSMENT/INTIMIDATION/BULLYING

Bowie Unified Schools are committed to providing a learning environment where students, staff, and parents may work comfortably and productively, free from these behaviors. A student shall not harass, intimidate, or bully another person. This includes but is not limited to threats to use physical, sexual, verbal or emotional abuse to humiliate or coerce others in an aggressive, antisocial behavior. STUDENT BEHAVIOR

All disciplinary infractions will be considered as Tier 1, 2, 3. This section defines each disciplinary Tier and outlines the consequences should a student choose to break a rule or policy.

Each infraction builds upon other infractions, regardless of the Tier, and disciplinary consequences will be based on the total number of infractions.

Tier 1 - Classroom Misconduct

Misbehaviors that impede orderly classroom procedures or interfere with orderly operation of the classroom. These misbehaviors can usually be handled by an individual staff member but sometimes require the intervention of other school support personnel. 3. Long-term suspension, possibility of expulsion recommendation, **and/or** placement in alternative education setting.
4. Withdrawal from school, or placement in alternative education setting, or expulsion.

Student conduct must be orderly, proper and reasonable on school property, at authorized activities and on the school buses. Additionally, students must obey proper and reasonable orders given to them by teachers, and authorized personnel on school property, at authorized activities and on the school buses.

Any student who physically attacks or verbally abuses a teacher or other authorized personnel; willfully and repeatedly violates rules and regulations; seriously disrupts the educational process and the orderly operations of the school; deliberately or willfully refuses to obey a reasonable and proper order or who repeatedly refuses to obey orders; possesses harmful and/or illegal substances; poses a danger to the safety of others—is in violation of Tier 3 expectations. Depending on the seriousness of each offense, however, any action may be taken out of sequence as deemed appropriate resulting in the student starting at a more serious consequence.

GRADUATION REQUIREMENTS

A student must earn 22 credits in a variety of subject areas to be eligible for graduation in accordance with requirements of the State Department of Education and standards set by the Bowie Unified School District

Governing Board. Students are required to be currently enrolled in Bowie High School and have completed all requirements prior to participating in the commencement exercises for their graduating class. These credits must be in the following areas of study:

• English.....	4.0
• Mathematics.....	4.0
• Science.....	3.0
• World History/Geography.....	1.0
• Economics.....	0.5
• American/AZ History.....	1.0
• US/AZ Government.....	0.5
• Fine Arts/CTE.....	1.0
• Physical Education.....	1.0
• Elective Courses.....	6.0
Total for Graduation.....	22.0

AWARDING OF CREDIT POLICY

One credit is awarded for satisfactory achievement and attendance in a course for one full year. One-half credit equals one-half year (semester) successfully completed. A standard 3-credit college course is equivalent to one-half high school credit.

GRADING DESIGNATIONS

We have high expectations for students at Bowie Schools and have adopted the following grading scale:

<u>Letter</u>		<u>Percent</u>		<u>Grade Point</u>
A	-	90-100	=	4.0
B	-	80 - 89	=	3.0
C	-	70 - 79	=	2.0
D	-	60 - 69	=	1.0
F	-	0 - 59	=	0.0

ATHLETIC LOCKERS

Athletic lockers are assigned to students who are enrolled in any athletic activities with the Willcox Schools, strength training classes or extracurricular sports. There is no reason for lockers to be shared, as each student will have his/her own. In the best interest of security, students are cautioned not to tell anyone else the combination of their locker. As soon as one other person besides you knows your combination, your locker is no longer secure.

The security of each student's property is his/her responsibility. **You are cautioned not to store valuable items or large sums of money in your locker.** Students who store items of value in their lockers do so at their own risk. Students who fail to comply with proper security measures should not expect administrative assistance in locating lost items or future assistance in resolving the problem.

Students are also responsible for the care and cleanliness of their lockers.

Repair of damage done to your locker and the cost of cleaning an inordinately dirty locker must be paid by you before you check out of school. Lockers are the property of the school district, and the school reserves the right to inspect student lockers at any time.

Immunizations

Every student must have:

1. An up-to-date immunization history on file.
2. Proof of immunization must be provided from a documented source. State regulations allow for exemption of the basis of medical or personal belief.
3. Parents will be notified when their child is due for an immunization. In accordance to Arizona State Law (A.R.S. 15-872), the appropriate immunization must be obtained by the specified date or the student will be excluded from school until proof of the immunization or exemption ID provided.

Student Travel

All students who travel as representatives of the Bowie Unified School District are governed by a single set of general rules:

1. Students are expected to act at all times in a way that will bring credit upon the group.
2. The school dress code applies on trips when outside the bus.

3. Students are to be in their assigned rooms at 10:00 p.m. unless travel times or finish times dictate late arrival. Students are to remain in their assigned rooms after 10:00 p.m., unless they are accompanied by their sponsor.
4. Boys and girls will not occupy the same bedrooms at any time, unless sponsors are present.
5. Sponsors may ask for keys for each room at 10:00 p.m. Sponsors will have the right to check rooms as they see the need.
6. Students must submit all completed appropriate parent release and parent permission forms.
7. Students may be released from the sponsor's supervision to return with their parents from an activity, however, releasing students to someone other than a parent or guardian will be reviewed on an individual basis after a previous written request has been received by either the athletic director or principal. If this permission has been granted by the school personnel, the parent or guardian must sign a waiver of liability on behalf of the school.
8. These requests should be minimal as the camaraderie, teaching, learning and team atmosphere should continue well after a game or activity has been won or lost.
9. Groups traveling or performing are to be guided by the same rules and regulations as are athletes.

BUS TRANSPORTATION

Arizona Education Code (15-342) gives the local school district the discretionary powers to provide transportation if it is deemed to be in the best interest of the district. Bus transportation, therefore, is a privilege not a right. All students will be eligible to be transported as long as they follow the following bus rules:

1. Follow the bus driver's directions.
2. Stay in assigned seat and face forward.
3. Keep hands, feet and objects to self and inside the bus.
4. Do not eat or drink, except as pre- arranged.*
5. Do not possess or use illegal substances or objects.
6. Do not be rude to others.

* Eating/drinking may be allowed if prearranged with the transportation supervisor.

The bus drivers will have the responsibility of providing all students a safe trip to and from school and activities.

An assertive discipline plan for students who do not follow school rules will be followed.

This plan will include:

1. Verbal Warning
2. Meeting with principal, driver and student.
3. Meeting with principal, driver, student and transportation supervisor; parent notification and one week of school attendance without bus service.
4. Meeting with principal, driver, student, parent(s) and transportation supervisor. Thirty (30) days of school attendance without bus service.

Bus service is provided before/after school. Also, the district will provide an activity bus after practice. The activity bus will run each day of organized practice (Monday through Thursday) at 5:45 from the middle school and 6:00 from the high school. Bus evacuation drills will occur each semester per state and school policy.

SCHOOL BUS SAFETY PROGRAM

This checklist may be used by District officials as a guide for transportation documents or transportation handbooks.

Arriving at Pickup Point

2. If you have to walk along the road to reach the bus stop, walk on the left side facing oncoming traffic.
3. Walk on the shoulder of the road where possible, and not on the traveled portion.
4. If other students are waiting at the bus stop, get in line without pushing or crowding and stay off the roadway.

Boarding the Bus

1. Line up in single file, with younger children in front, so they can board first.
2. Wait until the bus comes to a complete stop before attempting to get on board.
3. Board the bus quickly but without crowding or pushing.
4. Never run on the bus, as the steps or floor may be slippery, especially in winter time. Place your foot squarely on the step, not on the edge, and use the handrail.
5. Be particularly careful if you are carrying books or parcels, as it is difficult to see the steps and to hold the handrail.

6. Go directly to your seat and sit straight, well to the back of the seat, and face the front of the bus.

Conduct on the Bus

1. The bus will not move until all passengers are seated.
2. Remain seated throughout the trip, and leave your seat only when the bus has reached its destination and comes to a complete stop.
3. Keep your books and parcels on your lap or put them under the seat or on the luggage rack.
4. Keep the aisle clear.
5. Do not talk to the driver except in case of emergency.
6. Avoid doing anything that might disturb the driver or interfere with his work. Refrain from loud or boisterous talking or yelling.
7. Never stick hands, arms, head or feet out of the windows of the bus.
8. Do not open windows without the driver's permission.
9. Do not throw anything within the bus or out of a window; you might injure a pedestrian or force a motorist to make a dangerous maneuver.
10. Do not touch the emergency door or exit controls or any of the bus safety equipment.
11. Do not discard refuse in the bus. Eat at home or school, but not on the bus.
12. Obey promptly the directions and instructions of the school bus driver.

Prohibited Items

1. Tobacco is not allowed in a school bus.
2. Alcoholic beverages shall not be carried in a school bus.
3. Insects, reptiles, or other animals shall not be transported in a school bus (AACR17-4-507(G) (7)).

2. Do not push or crowd on the bus.

COLLECTION OF MONEY / FOOD TICKETS

Meal Charges

To ensure students receive the nutrition they need to stay focused during the school day the District shall maintain a meal charge program that minimizes identification of children with insufficient funds to pay for school meals and maintain the financial integrity of the district food service fund account. Further, the District shall abide by program regulation 7 CFR 245.5 by providing parents and guardians of all children who attend the school in the District information regarding the availability of reimbursable school meals and must be provided, in writing, information about applying for free or reduced price meals. The District will promote activities to involve students and parents or guardians in the school meal programs and inform families about the availability of all District meal programs. The District shall include students, families, and the school community in establishing and developing a communication plan for the District's meal charge policy that complements the public announcement of meal eligibility requirements in 7 CFR 245.5 and is consistent with the involvement required in 7 CFR 210.12.

The District provides the following regarding meal charges:

- A. For all types of reimbursable meals, students in grades up to and including eighth (8th) grade are allowed to charge up to three (3) meals.
- B. A student in grades up to and including eighth (8th) grade who has reached the limit of three (3) charged meals will be provided an alternative meal.
- C. Students in grades nine (9) through twelve (12) may not charge meals.
- D. No lunch charges will be allowed under any circumstances during the last ten (10) days of the school year.

At least one (1) advance written warning communication shall be given to the student and parent/guardian prior to providing additional meals beyond the conditions established by the District. The written communication shall explain the procedure should the student not have sufficient funds to pay for a meal.

The District shall make a reasonable effort to collect unpaid meal charges classified as delinquent debt. The District shall ensure that efforts to collect delinquent debt do not have a negative impact on the student involved. Such efforts shall focus primarily on the parents or guardians responsible for providing for the student's funds for meals. When the District determines that collection efforts for delinquent debt are useless or too costly, the debt must be reclassified as "bad debt" as defined in 2 CFR 200. 426. Bad debt must be written off as operating loss. However, "bad debt" must be restored using non-federal funds. Delinquent meal charges that are converted to "bad debt" must be

recorded and maintained in accordance with record retention requirements in 7 CFR 210.9(b)(17) and 7 CFR 210.15(b).

FUTURE FARMWORKERS OF AMERICA (FFA) STUDENT USE AGREEMENT

To be used by students and their parents for participation in FFA Program that is overseen by Bowie and San Simon.

Student: _____ Grade: _____

FFA Teacher: _____

Dear Parent(s)/Guardian(s):

Bowie is pleased to offer an FFA program to your child. Because exposure to and working closely with any animal may pose some risk, and because allergies, asthma, immune problems, and/or other health concerns may make animal contact inappropriate for some students, I require prior parent/guardian permission for student contact with animal(s) in this program. Incidentally, we already prohibit the following animals at our District: venomous or toxin-producing animals (e.g., certain spiders, insects, reptiles, and amphibians - unless part of an established, brief and keenly monitored educational program), wild or exotic animals, mammals at high-risk for transmitting rabies (e.g., bats, raccoons, skunks, foxes, and coyotes), non-human primates, stray animals, aggressive/unpredictable animals or others determined by me to be inappropriate for contact with students at the District.

In addition to her regular and expected duties related to the program, our FFA teacher will supervise all initial FFA student-animal contact sessions, offer guidance for the proper ongoing care of participating FFA animal(s), encourage ongoing appropriate treatment of the animals and disposal of animal waste, and provide transportation when necessary.

Your participating child must in turn work hard, and abide by all related District Governing Board Policies as well as any FFA teacher or administrator-provided guidelines and directions. He or she also must contribute the following to defray the additional costs of this program, which includes cost of transportation \$_____/year or semester (circle one).

Under no circumstances are students allowed to _____.

Please complete and return this form to me at the District Main Office by _____(insert date).

If you have any questions or concerns, please feel free to contact me at _____ (insert contact information).

Willcox Unified School District
Summer Workout 2020
Waiver, Release, and Assumption of Risk Form

On behalf of myself, my household members, and my minor child, _____
_____,

I hereby give permission for my child to attend the _____ workout at Willcox High School. My child and I are familiar with, and knowingly and voluntarily accept any and all risks associated with attending summer workout at a school campus. I acknowledge that my child's participation in this program is wholly voluntary and is not part of any regular school curriculum.

I specifically assume all risks and hazards associated with my child's participation in the workout including, but not limited to, the risks associated with the novel COVID-19 virus. I understand that my child will be associating with staff and other children and may contract COVID-19, and other viruses and diseases through my child's participation in the workout. Although the children and staff may their temperatures taken upon entering the camp, that precaution is not nearly adequate to prevent the spread of COVID-19 given, among other things, the relatively long incubation period, and the fact that many infected persons are asymptomatic. I understand and voluntarily assume the risk that my child may acquire COVID-19, and that COVID-19 may subsequently be transmitted from my child to me, my family, and members of my household.

While instruction and reasonable supervision will be provided, coaching staff cannot ensure my child's safety. Accidents and injuries happen, and it is impossible to eliminate the risk that my child will suffer an injury or illness.

I certify that my child is in good health, has no fever, and has no current issues that make it unsafe for my child to participate in the workout, which may not have a medical professional on staff. I will notify the school and not send my child to the workout in my child develops a fever or illness or tests positive for COVID-19. I acknowledge that my child and I are responsible for ensuring that he or she takes any necessary medication, and for avoiding any allergies. In the event of a medical emergency, 911 will be called and I will be responsible for any and all costs of medical treatment.

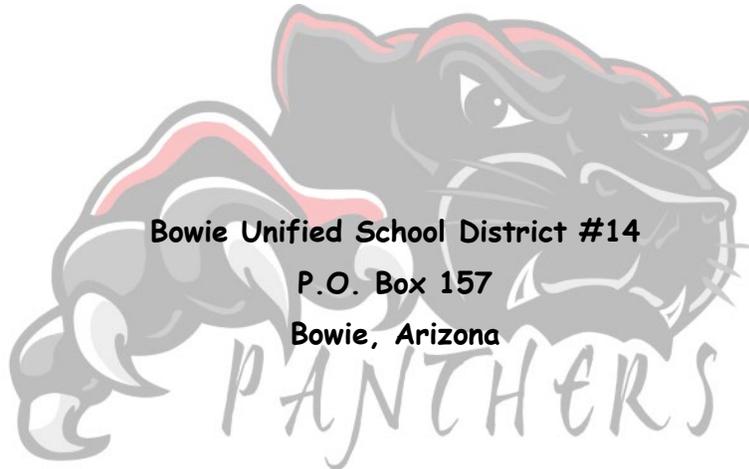

To the fullest extent permitted by law, I hereby agree to waive, release, and discharge any and all claims, causes of action, damages, and rights of any kind against the school, the school district, its insurers, the district's governing board, and all of their respective employees, agents, representatives, and volunteers (the "Released Parties") arising from or relating in any way to any damage, injury, trauma, illness, loss, unwanted contact, harassment, disability, dismemberment, or death that may occur to my child, me, or my household members - whatever the cause - due to my child's participation in the workout. This includes, without limitation, any claim arising from the negligence of the Released Parties.

I further agree not to sue the Released Parties, and to defend and indemnify the Released Parties for all claims, damages, losses, or expenses, including attorney's fees, if a suit is filed concerning an injury, illness, or death to me, my child, or my household members resulting from participation in the workout.
