Dear Parent/Guardian,

I am writing this letter today to thank you for entrusting the education of your child to Huachuca City School. We value this opportunity as we well know the serious role that education plays in the future of a child.

The Arizona Department of Education has released school letter grades for the 2018-2019 school year. Huachuca City Elementary School scored a "D" letter grade.

Over the next 90 days, we will continue to develop a plan for school improvement that will be based on the following six principles: 1) Effective Leadership, 2) Effective Teachers & Instruction, 3) Effective Organization of Time, 4) Effective Curriculum, 5) Culture, Climate, & Conditions, and 6) Family Engagement.

The school leadership team will be developing this plan which will include a comprehensive needs assessment, root cause analysis, and clearly stated expected outcomes for teachers and students. Our academic goals, strategies, and action steps will emerge during this process. We will be working with parents/guardians over the next 90 days to gather information as part of this plan.

On Tuesday, March 5, we will convene an open meeting with school staff, parents/guardians, and other stakeholders where we will present the school improvement plan that results from the process above.

We want to thank you for the trust you have put in Huachuca City School. We always strive to provide the best education possible for the children of this great community. If you have any questions or concerns, please contact me at 520-456-9842. You may also email me at [kbeaman@tombstone.k12.az.us](mailto:kbeaman@tombstone.k12.az.us).

Sincerely,
