

Tombstone Unified Schools District #1

Technology Take-Home Permission Form

The computer that your household is being issued is an educational tool and should be used in that capacity. Failure to comply with the Student Computer Acceptable Use Policy and these guidelines will result in loss of take-home privileges. There will be a limit of one computer issued per household.

Before a household is granted permission to take their assigned technology device home, he/she and his/her parent or guardian must sign the attached permission form.

Before the technology is assigned to a household, the parents or guardians must assume financial responsibility for the equipment by signing the attached Technology Agreement Form. The approximate replacement cost of the technology is \$300.

If the technology has a failure of an internal part, it is covered by a warranty and will be repaired at no cost. **If the technology assigned to your child is lost, stolen or damaged through negligence, vandalism, or failure to follow the proper care guidelines, then you are responsible for the cost of repair or replacement.**

When technology is taken home by the household, it must be returned to the school when school is back in session, if school does not resume we will contact the household and make arrangement for pickup or drop-off. Failure to return the equipment on time may result in loss of the privilege of taking the equipment home again. It is expected that the equipment will be returned to school with a fully charged battery for use during the school day.

All technology is the property of the Tombstone Schools. Tombstone reserves the right to demand the immediate return of the equipment at any time. The technology should only be used by the student who has signed the agreement.

I agree to the guidelines and procedures outlined on this form and agree to take full responsibility (including financial) for the laptop with asset Number _____.

Students Names: _____

Parent Name: _____ **Relation to Students:** _____
