Walking Field Trip Permission

I give my consent for my child to participate in LOTWA walking field trips during the school year.

I understand that the school will take all reasonable precautions to ensure against the possibility of accidents. However, I understand that neither LOTWA, its staff or the management company is liable for accidents occurring to students either on school premises or while on a field trip as part of the school's activities.

I further understand that information and a serperate permission form for field trips requiring transportation and/or fees will be sent to me prior to the actual field trip.

This form is active for the duration of my child's enrollment at Light of the World Academy. I must provide a letter to the school to revoke this consent.
