

FREE BREAKFAST AND LUNCH

DURING SCHOOL CLOSURES

03/17/2020

Dear Community Members,

During this very difficult time of school closures, school districts have been granted the opportunity to continue to feed any child 18 years old or younger. Morristown Elementary School District will be doing a mobile grab and go offering, as well as, a grab and go pick up service at the school. Please keep in mind the following:

- **CHILDREN MUST BE PRESENT TO RECEIVE MEALS**
- **ANY CHILD 18 YEARS OLD OR YOUNGER**
- **NO PAPERWORK, QUESTIONS OR AGE VERIFICATION REQUIRED SIMPLY GRAB AND GO**
- **DO NOT HAVE TO BE A STUDENT AT MORRISTOWN ELEMENTARY SCHOOL**

The school will be sending out a bus with a grab and go breakfast, as well as, a grab and go lunch at the following locations and times during the school closure from March 23-26. If closures are extended, meal service will be as well. In an effort to follow social distancing recommendations, school staff will hand each child present one lunch and one breakfast. Children are asked to return home or to their parent's vehicle as these meals are intended to be consumed at home and may require refrigeration.

There will be the option to pick up meals at the school from 10:00 am to 11:00 am as well. In an effort to maintain social distancing, we ask that parties park in the bus lane in front of the school office, exit the vehicle and ring the doorbell at the front door. At that time school personnel will ascertain how many children are present and will distribute the meals. We ask that all meals be taken home for consumption. At this time, children should not enter the school and should remain outside or in the vehicle.

We understand that this is a difficult time for all and appreciate your cooperation and understanding. Please contact the school office at 623-546-5100, email info@morristowneld75.org, our Facebook page or our website for additional information.
