

## ABOUT THE PROGRAM

The Arizona Department of Revenue has issued guidelines that allow a state income tax credit of up to \$400\* for fees contributed by a taxpayer to a public school for the support of extracurricular activities. (ARS § 43-1089.01)

It is not a requirement that the taxpayer have a child enrolled in a public school.

(\* \$400 for married couples filing jointly, \$200 for married couples filing separately or \$200 for single individuals or heads of household.)
