## BCS Families:

Are you expecting a lunch delivery from Blackford County Schools?

Here is what you need to know to keep our students and staff safe during the delivery process:

1. **Lunch Delivery will begin tomorrow, Thursday, March 26th at 10:30 a.m. and will be completed by 12:30 p.m.** Every student will receive two lunches.
2. **Families, please have a box or cooler available on the porch/front step.** Deliveries will be placed in the box. BCS personnel will knock or ring the doorbell to announce the delivery.
3. **Students and families are asked to please stay indoors.**
4. **Beginning March 30th, Breakfast and Lunch Delivery will take place on **Mondays only** (with **5 breakfasts and lunches** delivered.)**

If, for some reason, your student is missed as we begin the delivery process, contact Transportation Secretary Shannon Bannister at 765.348.7554 or by email at [sbannister@blackfordschools.org](mailto:sbannister@blackfordschools.org)
