In submitting the application I am indicating that I understand the conditions of possible enrollment of my child as a non-resident student at Blackford County Schools. I agree to pay tuition costs (if applicable) in advance of the student's enrollment becoming official. I understand that the District reserves the right to annually establish the amount charged for tuition. At this point, tuition will not be charged for the current school year. In addition, I am responsible for transportation of my child to and from school. Further, I understand that I could be billed an additional amount for the cost of transportation, if the district chooses to bill for transportation. I understand that final approval of this application is subject to approval by the Principal and/or Superintendent. Following approval of non-resident status, I understand that continuation of this status is contingent upon my child remaining a student in good standing.
