Dear Families,

This week we are excited to welcome the newest member of our teaching staff, Mrs. Charlynn Walker. Charlynn has a vast background in music and theater. She has been a co-teacher in musical theatre in NYC and Richmond, VA, has a degree from Virginia Commonwealth University in Fine Arts, and attended the Stella Adler Conservatory in NYC. She spent her childhood in Southern Pines. She will be teaching pre-k through 3rd grade music. We welcome her and her family back to the Land of the Pines.

In an effort to accept more students and turn away fewer students, we did some rearranging of classrooms and added two grades. One of the things we did, with great reluctance, was to temporarily pack up our library and put it in storage. The hope was that we would add modular buildings by January and reestablish the library, but as is the case when multiple layers of governance are involved, town, parish, and diocese, this is not going to occur in the desired timeframe. Fortunately, our children still have Library Day due to the Moore County Mobile Library which is on campus biweekly. We look forward to acquiring more space in the near future and reestablishing our on-campus library.
