Dear Families,

Thank you to the PTO for helping us solve the school's internet connectivity issue last year and for upgrading campus security this year. As a result of the generosity of the attendees and sponsors of the Derby Gala last May, the school was able to install 16 security video cameras. All entrances to all buildings on campus, including the concession stand, the interior of the Activity Center, and the main hall in the main building are being monitored.

A Mass of the Holy Spirit will be celebrated by Fr. McNair at St. Anthony's Catholic Church in Southern Pines on Sept. 15 at 11 am. The staff, the student body, and their families will receive a blessing. All staff and students should attend. Students should wear their Mass uniforms. The second collection will benefit the school. Our participation at this Mass is a good way to show our appreciation for all the support the parish provides to the school.
