Dear Parents,

Thank you for considering enrolling your child in a Show Low Unified School District school under SLUSD Governing Board policy JFB Open Enrollment.

Open Enrollment must be approved on an **annual** basis and is contingent upon the following criteria:

- Availability of space
- Academic progress
- Discipline history
- Attendance history

Please note, transportation is NOT provided by the district to open enrollment students outside of our normal bus routes.

Enclosed you will find an open enrollment packet for the 2021-2022 school year. This packet consists of an open enrollment application, and an open enrollment contract. If you are interested in having your child considered for acceptance to SLUSD under open enrollment for the upcoming year, please carefully read the enclosed information and complete the application and contract. These items must be returned to the **school** in which the student is requesting admittance **along with copies of your child's current grades, attendance history, discipline history, and proof of residency** for the **principal's review**.

If you are requesting consideration for open enrollment, these items should be returned to the school by April 9, 2021. All packets will be reviewed on a first-come, first-served basis and the schools' open enrollment capacities fill up quickly. Please return your packets as soon as possible. If the application is received after 2:00 PM on April 9, 2021 it has a higher risk of being denied due to capacity issues.

Each packet will be considered based upon the enclosed open enrollment policy. If the packet was received by April 9, a letter will be sent to you by the requested school no later than **June 30, 2021** indicating the outcome of your application. The letter will indicate acceptance, wait list, or denial of the application. If approved, that letter will serve as notification of approval for your open enrollment student for the 2021-2022 school year. If your packet was received after April 9th, notification may not be made to you until after the start of the school year.

Thank you for your interest in attending one of our outstanding schools. We strive to provide each of our students with a well-rounded, high quality education.

Sincerely,

Shad Housley
Superintendent
