Stop by to meet your local counselor and learn about GCU's:

- **Scholarships, Grants and Financial Aid Opportunities**
- **Transcript Evaluation:** Bring your unofficial transcript(s) and we'll evaluate your coursework and provide a personalized graduation plan - including a preliminary schedule and your anticipated graduation date.
- **Undergraduate and Graduate Programs Degree Programs**
- **Flexible Online Learning Options**

Show Low Unified School District may have an immediate need for teachers in early childhood, elementary, secondary and special education. GCU will have a specialist on hand to help you learn the quickest way you can become a teacher and help in your community. You could be teaching in a matter of weeks.

For more information, or if you're unable to attend, please contact your local counselor:
