Update to Proof of Residency Requirements

In accordance with Arizona Revised Statutes (ARS) 15-823(J), a school district may not include non-resident pupils in their student count and may not obtain state aid for those pupils. The residency of a student is determined by the residency of the parent or guardian with whom the student lives. ARS 15-802(B) requires school districts to obtain and maintain verifiable documentation of Arizona residency upon enrollment in an Arizona public school. ***The documentation must be provided each time a student enrolls in a school district in this state, and reaffirmed during the district's annual registration process via the district's annual registration form.***
