

Whipple Ranch Elementary School

Family Handbook

Dear Families:

These pages are for you! They include information you will need to know about our school. Our goal at Whipple Ranch is to prepare your child for their next steps in their education. When they have strong foundational skills they are prepared to be the leaders and thinkers of the future. As the year progresses, we hope you will have lunch with your child, volunteer at school and be involved with your child's education. It is my sincere hope that I may meet each of you and assure you that this will be an exciting and successful year.

Suzanne Jaramillo
Principal, Whipple Ranch Elementary

Whipple Ranch Elementary School Mission and Vision Statement

Our Mission at Whipple Ranch Elementary School is to create the foundation on which all other learning can take place in a safe and orderly environment. We will challenge our students to persevere and build lasting relationships.

Our Vision at Whipple Ranch Elementary School is to empower students to acquire, demonstrate, articulate and value knowledge that will support them as they participate in and contribute to the global world as productive adults. Our students will demonstrate growth in an environment which celebrates diversity and fosters a hope for the future.

Daily Schedule

8:00 AM School Begins
Kinder –Lunch/Recess-10:40-11:20
1st grade lunch- 11:20-12:00
2nd grade lunch- 12:00-12:40
3:00 School Dismissed
1:00 School dismissed on FRIDAYS

There are occasions when the starting time of the school day may be delayed or school will not be in session due to poor weather. An announcement will be made on radio stations KRFM 96.5, KSNX 93.5, KVWM 970, KVSL 1450 and KTHQ 92.5, starting as early as possible. You can also check our Whipple Ranch Facebook

page or our District Web page. On days when school runs one or two hour later, the buses will run one or two hour later, school lunches will be served at regular times and school will be dismissed at the regular time.

School Attendance & Absences

It is the philosophy of Whipple Ranch Elementary School that part of the requirements for promotion is regular attendance at school. Please refer to School Board Policy JED and School Regulation JED-R (2) for more information.

Serious illness or unusual circumstances will be considered excused absences. Absences, due to medical reasons, may be excused upon appropriate doctor verification. Excused absences are absences from school that have been authorized by a parent or guardian and school authorities.

Consistent with state law, the District holds to the philosophy that parents or guardians are primarily responsible for the attendance of their children. Parents cannot expect the school to educate students who are not physically in attendance.

Students who are absent without parental permission or leave school without authorization will be considered ditching. Failure to attend any assigned class or activity is considered ditching.

Consistent tardiness to class (arriving after 8:00 a.m.) will be brought to the attention of the principal and he will direct the course of action.

For the safety of your children, we ask that your check in at the office and sign your child out if it is necessary to withdraw him/her prior to the end of the school day. If your child is arriving late or returning to school after being withdrawn, you must sign your child back into school.

STEPS TO FOLLOW WHEN ABSENT FROM SCHOOL:

1. Please call the office (537-6051) before 10:00am on the day a student is absent. When the student returns, they will be required to give the attendance clerk a written note from the parent or guardian giving name, date, days of absences and reason of absence. Students who are unable to obtain a parent excused note will be counted as unexcused until such excuse is given to the office.
2. Students must make immediate plans to do all make-up work. It is primarily the student's responsibility to obtain and turn in all missed assignments. If students or parents have questions, they should refer to the classroom policies or classroom teacher.
3. Students who have had doctor, dental or legal appointments should obtain a written verification from the professional visited. The written verification will serve as the student's written excuse. All written excuses should be turned into the school's attendance clerk immediately.

State Truancy Law

The Arizona State Law states that it is unlawful for any child between the ages of 6 and 16 years of age to fail to attend school during the hours school is in session, unless there is a valid excuse. *The child will be considered truant when there is not a good reason for not attending school.* If a parent fails to ensure that the child attends school, the law states that they are guilty of class 3 misdemeanors. This means that **the parent can be fined up to \$700 with applicable surcharges and/or 30 days in jail or 2 years probation.**

Attendance Definitions

Tardy: Any time your child arrives to school after 8:00 am

Absent: Any time your child is not in their class while class is in session

Excessive Absences: Any time your child has more than 5 absences during a nine week period.

Excessive Absences

A letter will be sent after the 5th absence. This is just a gentle reminder that it is the law for your child to attend school. If your child reaches seven absences the teacher, parent, principal and SRO (School Resource Officer) will have a meeting to consider reasons for the excessive absences and create a plan for support. If the attendance has not improved and the child continues to be absent on the 10th day the parent will receive a truancy citation. We will work with students and families under special circumstances; however, attendance is key to success. If the child misses 18 or more days the child could be retained.

School Property

Students shall not vandalize or otherwise damage or deface any textbooks or property, including furniture and other equipment belonging to or used by the district. Parents or guardians of students guilty of damaging school property **shall be liable for damages** in accordance with law. Students shall be responsible for the care and return of state-owned textbooks and may be charged for replacement costs of damaged property.

Each student is responsible for the items he/she checks out from the library. If a library book is lost or damaged, the parent or guardian will be required to pay for the book.

All textbooks and library book charges must be paid in full by the conclusion of each school year.

Show Low School District Dress Code

The Show Low School District recognizes that appropriate clothing worn by students and their grooming practices contribute to the achievement of educational goals and the successful accomplishment of the district's high standards in all aspects of the educational program. The district also recognizes that student dress and grooming practices can affect the health, safety and general welfare of the students. At the same time, the district recognizes that the mode of dress and grooming practices by an individual are a manifestation of personal style and preference. Therefore, the district shall endeavor not to interfere with the rights of students and parents or guardians to make decisions regarding personal dress and grooming practices except when the choices affect the educational goals and high standards within the educational program, or the health, safety and general welfare of the student and/or others. The purpose of the student dress codes is to encourage students to "dress for success" and come to school properly prepared for participation in the educational process. The student dress code is to be followed at all school sponsored events.

Consequences

The Governing Board authorizes the administration to enforce school regulations establishing appropriate dress and grooming practices. The administration reserves the right to consider a student's attire inappropriate or distracting. Students who violate the dress code will receive a series of graduated consequences:

1st Offense:

If the student chooses to completely correct the violations he/she will be sent back to class; otherwise, parents will be called to bring in a change of clothes or the student will be provided with substitute attire for the day.

2nd Offense:

School consequences given by the site principal (detention, work detail, etc.). Parents will be called to bring a change of clothes or student will be sent home with the parent to make the correction and return to school for the remainder of the day.

3rd Offense:

One day out of school suspension.

4th Offense:

Three days out of school suspension with referral to the juvenile justice system under Section 132911- Interference with the peaceful operation of the educational institution.

5th Offense:

10 days out of school suspension, referral to the juvenile justice system under Section 132911-Interference with the peaceful operation of the educational institution and recommendation for expulsion or long term suspension.

Show Low School District Dress Code

1. Facial jewelry that is displayed in the triangle zone of the face is not permitted on school grounds. Any clothing, jewelry or paraphernalia that is immodest, gang related or is disruptive to the educational process is not acceptable.

NOTE: Wearing gang clothing or paraphernalia is prohibited and policy JICF will govern the appropriate consequences for any violations.

2. Shorts, skirts, dresses, etc. may be worn if fingertip length or longer.

3. Sagging pants are prohibited. Clothing must be of a size designed to fit the student's measurements (waist).

4. All clothing must be hemmed. Clothing that is intentionally frayed, torn or without hems will not be allowed.

5. Skirts, tops, sweaters and blouses must be designed to be modest and non-revealing. Crop tops, bare midriffs, halter tops, tank tops, spaghetti straps, Spandex as outer wear, and any see-through clothing are not acceptable.

The straps on shirt tops must be shoulder width in length. The straps of the shirt must run from the neck to the end of the shoulder (sleeveless type shirts).

6. Skirts, coats and tops of any kind, may not be worn in such a manner as to conceal sagging clothing or to provide concealment for items inappropriate for school (electronic devices, weapons, substances, etc.).

7. Obscene language or symbols of drugs, tobacco, sex, violence, satanic symbols, alcohol, racial supremacy or gang affiliation on any type of clothing, jewelry and/or body are expressly prohibited.

8. Bare feet are never acceptable. In the interest of student safety, shoes must be worn at all times. Thong type shoes may be worn on school grounds, as long as the thong type shoes stay on the student's feet.

9. Jewelry shall not be worn if it presents a safety hazard to self and/or others. This includes inappropriate use of safety pins.

10. Any type of chain material that may be used as a weapon (usually worn on the outside of pants, and hanging down and connected to a wallet) is not allowed. These will be confiscated for the release to the student's parents only.

11. Hats are no longer permitted in the school building or classrooms. Students must remove hats when entering Show Low School District.

Adopted: June 8, 2000

Bus Safety & Expectations

Show Low School District Transportation Services may be contacted at 537-6048. If a student is going to ride a bus other than his/her assigned bus, written permission must be given to the driver before boarding the bus.

Students are required to enter/exit the buses in an orderly fashion. At the end of the school day, students are required to wait along the building's walls until the duty teacher excuses them to the bus loading zone.

School Visitors

We are hard at work in our primary grades. We are learning to read, write, and solve math problems. For many of us we are taking our first steps toward independence. Visitors will not be able to remain in classrooms after the bell rings. This interferes with the work we need to accomplish. Throughout the year there will be special events. We love to have our family and friends attend these events. Our students will love to show off their accomplishments.

If you are interested in volunteering we have a process for this. Please check with our front office and sign up. We always need those who want to help our student grow. Maybe working in the classroom is not what you want to do; there are many other ways to help. Just let us know what your gift is and we can put it to use! By law, all visitors must first report to the school office and obtain a visitor's pass. Our teachers are prohibited from allowing visitors in without office approval.

Pets of any kind are not permitted at school grounds unless permission is granted by the teacher and the office for a school report, class discussion or project. Pets are never allowed on the school bus or playground.

Fire Drills/Lock Down Procedures

Every precaution is taken to ensure the safety of our students during normal school hours. Periodic drills are executed to make certain that students learn proper safety procedures and adhere to all safety guidelines.

Closed Campus

Whipple Ranch Elementary School is a closed campus. Students will not be allowed to leave campus during the day. The only exceptions will be if students are picked up from the office by an approved adult. Phone calls will not be accepted as permission for students to leave campus even with another adult. Permission must be in writing, in advance.

Student Property

Students are solely responsible for their personal items. Parents/students should mark all loose clothing, backpacks, lunchboxes and other personal items. At the conclusion of each year, all items left in the "Lost and Found" will be donated to a thrift store. Students are not allowed to bring to school or use on school property: cell phones, toys, radios, CD's, tapes, tape/CD players, handheld electronic games, etc. Neither the District nor its employees are responsible for theft or damage done to any items the student has brought from home. Such items will be confiscated and held in the office until they can be released to a parent or guardian.

Emergency Cards

Emergency cards are very important in helping schools maintain contact with parents. It is the guardian's responsibility to ensure that emergency cards remain current. If you move, change jobs, or get a new phone number, please contact the office so we can update your card. It is vital that we are able to contact parents in case of emergencies.

Home-School Communication

We will try to keep you well informed about the activities occurring in our school. There will be classroom newsletters form your child's teacher so that you may be kept aware of study trips, special events and day-to-day instruction. Through the office, you will also receive communication which will keep you updated on special happenings and upcoming events. Please check our district's website for additional information about our district. www.show-low.k12.az.us. If you are on Facebook follow us @Whipple ranch elementary. We also will send out "robo calls". It is important to have your phone number up to date to receive these calls.

Parent-Teacher Conferences are scheduled for September and February. You may also request an additional conference at any time. If a parent or guardian has a concern about an issue here at school, the first contact is the classroom teacher. Please feel free to call the school at 537-6051 and make an appointment to visit with your child's teacher. A large portion of issues at school may be resolved with consistent communication between student, parent and teacher. After meeting with the classroom teacher, if a parent feels that an issue is not resolved, they can contact the school secretary to schedule a meeting with the principal.

*PLEASE NOTE: Parent phone calls will **NOT** be forwarded to classrooms during instructional time. Calling your child during school hours on a cell phone is strictly prohibited. If your child brings a cell phone to school they are responsible to turn it into the office at the beginning of the day and picking it up when school is out. Please plan at home as much as possible to avoid interrupting your child and his/her classroom during school hours. Thank you!*

Parent Expectations

A parent has the responsibility to:

1. Make every effort to provide for the physical needs of the student.
2. Teach the child to pay attention and obey the rules.
3. Make sure the child attends school regularly and promptly report/explain absences and tardies to the school.
4. Encourage and lead the child to develop proper study habits at home.
5. Participate in parent-teacher conferences to discuss student progress.
6. Remain informed of school policies and academic requirements of school programs.
7. Make sure the student is appropriately dressed at school and school related activities, in compliance with the district-approved dress code.
8. Discuss report cards and school assignments with the student.
9. Bring to the attention of school authorities any learning problem or condition when may relate the student's education.
10. Maintain up-to-date home, work and emergency telephone numbers and other application information at the school.
11. Cooperate with the school administrators and teachers.
12. Remain informed with every aspect of your child's education.

Health Office

Immunizations:

Arizona Law requires that all children entering school must submit a history of immunizations and receive certain immunizations in order to continue attending school in the state. Students who do not have all required immunizations will not be permitted to attend Whipple Ranch Elementary School until immunization records are up-to-date. Please check with the school's health office if you have questions regarding immunizations.

Medications:

1. **All** medications, whether prescribed or over-the-counter, must be held in the school's health office.
2. Medications are to be administered by the school health tech or school secretary, when the school health tech is unavailable or absent.
3. All medication must be in its original container with proper labeling and must be brought to school by the parent or legal guardian. Students **MAY NOT** carry medication to administer to themselves.
4. District personnel are prohibited from administering medication (prescription or over-the-counter) without the written authorization from the parent/guardian. In the event of an emergency, verbal permission may be given over the phone.

If you have any additional questions concerning the health of your child, please contact the school health tech.

Cafeteria

Menus are given to students at the beginning of each month. Students' meal tickets are "tracked" according to their student identification number. The cafeteria staff will notify students when they have a balance due; written notification will also be given to the classroom teacher, to be sent home for the parent. Students who have overdue meal tickets will be provided with a sack lunch until their meal ticket is paid in full. If you have

any additional questions concerning our cafeteria services or your child’s meal ticket account, please contact Jeff Houston. Please send your child’s lunch money with him/her to school; each morning the classroom teacher will collect all money and turn it into the office/cafeteria.

<i>Meal</i>	<i>Reduced Meal Price</i>	<i>Regular Meal Price</i>
<i>Student Breakfast</i>	\$0.30	\$1.30
<i>Student Lunch</i>	\$0.40	\$2.25
<i>Adult Breakfast</i>		\$2.25
<i>Adult Lunch</i>		\$3.40

FOOD SERVICES CHARGE POLICY

The following policy is for students in grades Kindergarten through 5th grade:

1. Any child may charge their first meal due to lack of cash. At this time the cashier will remind the child of the charge.
2. Charge slips will be sent home with each child at grades K-5 schools twice per week. We remind you that YOU ARE RESPONSIBLE FOR ALL CHARGES.
3. No student will be allowed more than five charges. The first three meals charged will be the regular scheduled lunch. Charged meals four and five will consist of an alternate lunch of peanut butter/or cheese sandwich, fruit and milk.

The following policy is NOT for students in grades 6-12 and adults: There is NO CHARGING ALLOWED for students in grades 6-12 and adults.

Free or Reduced Price Meal Applications

According to the Child Nutrition Policy Program Manual, the Food Service office has 10 working days to process your application once it is received. They will be stamped with a received date when they reach the Food Service office. Parents will be responsible for all charges for meals eaten by your child during this time. If your child received free or reduced meals in the 2015-2016 school year, their free or reduced eligibility will be in effect for the first 30 operating days of school. If you do not send in a new application, your child’s eligibility will expire after 30 operating days and they will be charged full price for meals.

If you have any questions about your application, please call 537-6014, extension 1. Completed applications may be turned in at the Food Service Office located in the Whipple Ranch Elementary Cafeteria Kitchen, or any school office. You may apply for free or reduced price benefits at any time during the school year.

Kinder Students: If your household qualified for free or reduced meals in 2015/2016, please call us as soon as possible at 537-6014 extension 1 or 2, so our child may receive meals with the correct eligibility for the first 30 days until your new application is processed. Please tell us the name of the older students, the legal name of the kinder student and which school they are attending. When you send in this year’s application, please mark it as an application for a kinder student so we can process it quickly.

New Applications: If your child is new to the district or you are applying for benefits for the first time, please send the application with a note alerting us that this is a new student, so we may process the application as quickly as possible.

Whipple Ranch Elementary PTSO

Our school has a very active, involved Parent Teacher Service Organization. In the past, the PTSO has organized our annual book fairs, Christmas stores, carnival, student rewards & recognition programs and

teacher appreciation events. If you are interested in becoming involved with our PTSO, please contact any of the office personnel at 537-6051.

Promotion/Retention of Students

Teachers and administrators will follow the School Board's policies concerning the promotion and retention of students. Your child's teacher will inform you if your student is struggling in any academic area. Together, a plan of action can be created and if progress is not made, the child may be considered for retention. The decision to retain a student will involve the classroom teacher, parent, student and principal.

Please visit www.ade.az.gov. To view our school's Arizona Report Card. The Report Card will also provide more information concerning the demographics, curriculum and programs offered at our school.

Show Low Unified School District Parent Involvement Policy (2016-2017)

The Show Low Unified School District Parent Involvement Policy is committed to working closely with families to create opportunities for ongoing effective communication, providing support and establishing a more personal relationship with parents and families so that we are actively partnering to ensure that all of our children are successful.

Each school district that receives Title I funds shall co-develop and distribute to parents of participating children, a written parent involvement policy that describes how the district will:

1. Involve parents in the development of the plan under section 1112 of No Child Left Behind (NCLB), and the process of school review and improvement under section 116, NCLB.
2. Provide the coordination, technical assistance and other support necessary to assist participating schools in planning and implementing effective parent involvement activities to improve student academic achievement and school performance.
3. Build the schools and parents' capacity for strong parental involvement by providing all families/parents with the following English/Spanish (other languages):
 - A description and explanation of curriculum to be used
 - Forms of academic assessment used to measure student progress
 - Proficiency levels that students are expected to meet
 - Materials and trainings on how parents can improve their child's achievement
 - Education of the school staff on how to build ties between home and school
 - Coordination and integrating all parental involvement planning/activities year round
 - Ensuring that all information sent home is in a language and "friendly" form that parents can understand
 - Other district support for parental involvement activities as requested by parents
 - Student Enrollment Packet
4. Coordinate and integrate parental involvement strategies identified under this policy with parental involvement strategies under other programs, such as Supplemental Educational Services (SES tutoring) and School Choice, McKinney-Vento Homeless Assistance Act, Title III Language Instructional Programs, Head Start, along with other community based programs.
5. Conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of the Parental Involvement Policy in improving the academic quality of the schools served under Title I, Part A of NCLB funds.

6. Identify barriers to greater participation by parents in parental involvement activities, with particular attention to parents who are economically disadvantaged, disabled, have limited English proficiency, have limited literacy, or are of any other racial or ethnic minority background.
7. Use the findings of the Parent Involvement Policy to design strategies for more effective parental involvement.

School-Parent Compact

As a component of the parental involvement policy, at least annually, each school served under Title I will review with parents the school-parent-student compact. The compact outlines how parents, staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards.

1. Schools will be responsible to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables students to meet the State's student academic standards, and the ways in which parents will be responsible for supporting their children's learning by doing things such as monitoring attendance, homework completion and positive use of extracurricular time.
2. The importance of communication between teachers and parents will be encouraged on an ongoing basis in English/Spanish (other languages) through:
 - Parent/Teacher Conferences which will be scheduled at the request of the teacher and/or parent. Teachers will provide open appointments, as determined by the teacher, for other conferences as needed.
 - Schools will make frequent reports to parents on their children's progress, at least four times during the calendar school year.
 - Parents will have reasonable access to staff, and will have opportunities to volunteer, participate and observe in their child's classroom activities.
 - The District Parent Involvement Policy must be updated annually and distributed by the school to all parents.

Parents Right-to-Know

At the beginning of each school year, a district that receives Title I funds shall notify the parents of each student attending Title I schools that the parent may request, and the district/school will provide in a timely manner, information under the *No Child Left Behind Act*, the professional qualifications of the student's classroom teachers and paraprofessionals, including, at a minimum, the following:

- Whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing have been waived.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

This information is to be collected and disseminated in a manner that protects the privacy of individuals.
