Welcome to Show Low High School – Home of the Cougars!

It is our vision to become a school where all students would go to learn, even if they didn't have to. We believe that this force-free approach to student attendance, involvement, and learning is the key to student performance and school success.

In order for this vision to become a reality, we invite our students to commit to being "all-in". This "all-in" movement has four simple, yet powerful, components:

IN Class | INvested | INvolved | INdependent
