

## HIGH SCHOOL ADVISING

- **WHAT IS ADVISING?**

The Advising Program is a key feature of University Schools and one of the most important ways for a student to develop a sense of belonging in our school community. The Advisor serves as an advocate for the student and guides the student in establishing goals and completing graduation requirements. Through daily contact with an advisor, students learn in a supportive community of peers.

Advising is a structured time with specific expectations. Most advisors require weekly grade checks and structure their days around specific activities, such as portfolio development and life lessons. Advising is also a social time to bond as a group.

Advising is a 30-minute block on Tuesday-Friday.

- **WILL I GET THE ADVISOR I REQUEST?**

As a team, we make every effort to place you with an advisor that you have requested. However, due to the limited number of spots available, we may **not** be able to do so. We will do our very best.

Below is a list of advisors followed by the number of available seats. With the help of your advisor and parent, please indicate your selections on the Advisor Request Form. Please do not request an advisor with zero openings as we will not be able to accommodate that request.
