GATE RECEIPTS AND ADMISSIONS

The Board of Trustees will determine the admission prices for activity events based on the recommendations of the Activity Committee.

Admissions receipts of school events will be adequately controlled. The principal is responsible for the proper collection, supervision, disbursement, and/or remittance of these charges. Admission to those school events for which an admission is charged ordinarily will be by tickets or special passes only. Adequate records will be maintained for accounting purposes.

Proceeds from admission are to be deposited in the General Fund to help offset the cost of projects recommended by the Activity Committee and approved by the Board.
