

**PARK COUNTY SCHOOL DISTRICT #6  
BOARD OF EDUCATION POLICY**

**CODE: GCA**

**CERTIFICATION**

Wyoming Statute stipulates that no persons shall teach or supervise in a public school in this state and receive compensation therefore out of any public fund who at the time of rendering such services is not a holder of, or a candidate and qualified for a certificate issued, or to be issued, under the laws of this state and the rules and regulations of the State Board of Education. Therefore, it is the responsibility of each teacher and certified employee to maintain appropriate certification to fulfill their assigned responsibilities in the State of Wyoming. Recertification should be applied for through the Professional Teaching Standards Board sufficiently in advance of the expiration date of the current certificate to allow re-certification to be completed prior to the expiration of the current certificate. Securing and maintaining appropriate Wyoming certification is the responsibility of the individual teacher or certified employee, not the responsibility of the District.

Employment is conditional upon certified personnel securing and maintaining appropriate ratification from the Professional Teaching Standards Board for the position employed and filing evidence thereof with the superintendent of schools.

Failure to secure and maintain appropriate certification shall be grounds for dismissal.
