PROFESSIONAL STAFF HIRING

EMPLOYMENT CONFIRMATION

Based upon the recommendations of the superintendent and in keeping with district personnel policies, the Board of Trustees shall employ all permanent school district personnel. Before applicants can be considered eligible for employment in the School District, requirements of the State Superintendent of Public Instruction and the laws of the State of Wyoming must be met.

APPLICATION RECORDS

To accommodate compliance with equal opportunity legislation and to provide adequate basis for screening and selection procedures, credential files of all applicants will be maintained in the Central Administration Building.

To help insure that all qualified applicants are considered for those positions declared vacant during the time that credentials are on active file, it is imperative that all applicant files be stored in the designated locations.

HIRING PROCESS

Prior to filling open and new positions, District Superintendent approval is required. The Human Resource Director will assist in the advertising of available positions. Direct Supervisors are responsible for all selection and hiring for the open position.

EMPLOYMENT INQUIRY PROCEDURES

All employment inquiries will be directed to the superintendent of school for processing and documentation; and application forms, letter of instruction, form letter responses, and information bulletin distributions will be made from that office. The superintendent of schools will be responsible for the documentation of the processing of employment inquiries.

As credential folder materials (completed application forms, letter of recommendation, transcripts, resumes, etc.) are returned to the School district, they are recorded by the superintendent of schools or his/her designee and filed in the appropriate folder.

CRIMINAL BACKGROUND CHECKS

In accordance with Wyoming and federal law, a criminal background check shall be conducted prior to the final decision on hiring any employee. Criminal background checks shall be requested either by the School District or, if a certified employee, this requirement may be met by the Professional Teaching Standards Board. This information, when received by the School District, shall be utilized solely for the purpose of providing additional information relevant to the hiring decision of the applicant. The criminal background information shall not be permitted to be used for any other purpose, and in order to ensure confidentiality of this information the following policy and procedure shall be implemented:

3. The criminal history information shall be retained in a separate filing cabinet at the central administration office for one year, which cabinet shall be secure (locked) with access to the filing cabinet given only to the Superintendent or his/her designee. 4. In the event the Superintendent elects to designate another person to receive the criminal history information, the Superintendent shall ensure that the person understands the confidential nature of this information, that he/she has not previously violated any of these procedures or rules, and that the person is familiar with the substance and intent of this policy.

The criminal background information may be retained and reviewed by the Superintendent or his designee in the event that any employee requests a transfer or applies for a different position.

Criminal background information shall be retained in the records of the School District for at least one year. Thereafter, the Superintendent may elect to destroy the criminal background information, in which event the District shall retain a record that the criminal background information was acquired as provided by federal law and Wyoming law, which record shall also indicate the date the information was destroyed. The record indicating that the criminal background check was acquired and the date it was destroyed shall be retained until the employee is no longer employed with the School District.
