RETIRE/REHIRE

Park County School District No. 6, the School District will consider the re-employment of persons who were previously employed by Park County School District No. 6 but retired from employment. In accordance with the Wyoming Retirement System regulations and the interpretation thereof, to be eligible to be rehired and continue to draw retirement from the Wyoming Retirement System while employed, the individual must have retired from Park County School District No. 6 with the intent to actually retire. Employees who intend to retire and leave the employment of the School District for not less than thirty (30) days and then thereafter desire re-employment, shall be required to apply and participate in the same hiring process as all other applicants for the position desired.

There will be no commitment or promise on the part of Park County School District No. 6 to hire or re-employ an individual employed by Park County School District No. 6 contemplating retirement prior to the effective date of the retirement.
