

**PARK COUNTY SCHOOL DISTRICT #6  
BOARD OF EDUCATION POLICY**

**CODE: IC**

**SCHOOL YEAR/CALENDAR**

The Board will establish, upon a recommendation of the Superintendent, an official school calendar for the ensuing school year. Calendars for future years also may be established. The regular calendar will include the number of student days, number of workdays for staff members, and will indicate holiday periods. The calendar adopted will be consistent with the existing statutes and the State Board and/or Department of Education directives.

A committee shall be formed annually to develop the calendar. This committee shall be comprised of school board members, administrators, and certified staff chosen from their own ranks and community members, parents, and students who shall be appointed by the superintendent. The committee shall solicit input from their respective groups and develop a calendar to recommend to the Board not later than February 15 for the following school year.

Development of the calendar shall be based upon the following priorities; listed in order of importance:

- What best meets the educational needs to students and student achievement
- What best meets the educational and instructional needs of staff, staff development, and student achievement.
- What best meets district needs and parent needs.
- What best meets the needs of the community at large.
