

**PARK COUNTY SCHOOL DISTRICT #6
BOARD OF EDUCATION POLICY**

CODE: IHBG

HOME SCHOOLING

Wyoming law permits the establishment of a home-based educational program provided to the child by the child's parents or legal guardian or by a person designated by the parent or legal guardian. Any instructional program provided to more than one family unit does not constitute a home-based educational program.

Home-based educational programs shall meet the requirements of a basic academic program pursuant to the Wyoming Statutes 21-4- 101(a)(vi) and W.S. 21-4-102(b). It shall be the responsibility of every person administering a home-based educational program to submit a curriculum to the Board of Trustees in care of the Superintendent of Schools each year showing that the program complies with the statute. A basic academic educational program is one that provides a sequentially progressive curriculum of fundamental instruction in reading, writing, mathematics, civics, history, literature and science.

On behalf of the Board of Trustees, the Superintendent will review home-based curriculum on an annual basis to ensure the requirements of a basic academic educational program have been met pursuant to W.S. 21-4-101(a)(vi). The curriculum review will not be subject to evaluation of content.

The district regards home-based educational programs as non-accredited schools and reserves the right to require appropriate testing or to use any other means it deems appropriate for placement in a grade level of any student entering the district's schools.
