BOARD OF EDUCATION POLICY**

CODE: IKAC

PARENT CONFERENCES

It is our belief that there is no substitute for direct, face-to-face, discussion of pupil progress or problems.

Every parent should be encouraged to confer with their child's teacher(s) on a regular basis.

Parent conferences are scheduled each year at every grade level. Teachers should request a conference when problems are developing. In addition, they should help parents feel welcome to confer whenever they have questions about the progress of their children.

Adopted: 1/20/98
