BOARD OF EDUCATION POLICY**

CODE: JLC

STUDENT HEALTH SERVICES AND REQUIREMENTS

Health Services Screening Tests:

1. Screening tests of students shall be administered for evaluation of vision, dental, and BMIs when appropriate.
2. Prior to the first practice, sports physicals shall be required of all students participating in school athletics. A licensed medical doctor or physician's assistant shall perform such examinations.
3. All students who participate in school athletic programs must show evidence of health insurance or purchase school accident insurance.

Health Services Absence From Physical Education:

1. Written excuses from a parent or guardian are required if a student is to be excused from physical education classes for two (2) days or less. If more than two (2) days are indicated, a written excuse is needed from a licensed healthcare provider, osteopath, dentist, optometrist, or chiropractor.
