Eastside Elementary School is excited to welcome back our students, parents, and staff for what is sure to be a great school year! We look forward to a year full of opportunities for continued thinking, learning, and doing. At Eastside, students can expect to be met by a team of professionals who love children and work tirelessly to help students develop the strategies to be deep thinkers and lifelong learners.

Learn Together, SOAR Together, the Key is Me

Our school motto encompasses our belief that each one of us is a learner, and success comes from each one of us doing our part for the betterment of our own learning and the learning of others. You should hear your children talking about how much we work on SOARing at Eastside. We intentionally focus on helping students develop the mindset that they are in charge of their learning and have a direct impact on the learning of others. This is in how they collaborate with classmates, create with each other, how they communicate both verbally and in writing, and how they think critically about their learning. We look forward to partnering with families to ensure that all students walk away from Eastside prepared with the skills and knowledge to be successful in school and in life.

Eastside Goals:

- 1) All K-5 students will be proficient readers
- 2) All K-5 students will be proficient in math
- 3) All K-5 students will exhibit positive behavior

Box Tops are collected on the 15th of each month.

How Can You Support Eastside?

As parents or guardians we often wonder, how can I help to make our school the best it can be? Here are a few ideas.

1. Become a volunteer- either in your child's classroom, the library, for book fairs or PTK events.
2. Don't forget to read with your child.
3. Make sure that your child gets plenty of sleep and starts the day with a good breakfast.
4. Limit your child's screen time.
5. Continue to clip those Box Tops. We receive 10¢ on each one. Our last check was over \$400!
6. Join our PTK
