GENERAL INFORMATION

VISITORS TO THE SCHOOLS

All visitors must report to the Main Office upon entrance. Students may not bring visitors to school.

MEDICAL INFORMATION

PHYSICALS – A 6th grade physical with up to date immunizations must be on file with the nurse. If you want to participate in athletics, you must have a sports physical every year. Also, state law mandates that all sixth grade students have a complete dental examination.

COMMUNICABLE DISEASES – Students who have or are suspected of having a communicable disease may be required to have a release from a physician before being admitted to school.

SICK CHILD - If your child has a temperature of over 100 degrees, is vomiting, or has diarrhea, he/she should not be in attendance. He/she needs to be free of these symptoms (without medication) for 24 hours before returning to school.

MEDICATION: Any student who is required to take medication during school hours must comply with the following regulations:

1. Physicians must complete the proper forms and send them to the school office.
2. Medication must be brought to school in the **ORIGINAL CONTAINER** or in a container properly labeled by the pharmacy or physician.
3. All medication must be given to the school secretary or school nurse for proper storage during the school day.
4. No prescribed medication may be kept in student lockers, purses, pockets, or book bags. Non-prescribed medications will not be allowed in school. Students that need to keep their inhaler or water with them must have written permission from a physician.
5. Appropriate school personnel will administer required medication as required by physician's orders.

In all cases, the school retains the discretion to reject a request for medication administration depending upon individual circumstances.

The school will not dispense any non-prescription medication without a doctor's order. This includes Aspirin, Tylenol, cough drops, etc.

MEDICAL EXEMPTION FROM CLASS

In the event of a medical condition that will restrict or exempt a student from class, the school nurse needs to be notified by the attending physician. Appropriate modifications will be made.

MEDICAL EQUIPMENT

In the event that a student may need crutches, braces, slings, or any other medical equipment while at school, a doctor's order will be required.

LOCKERS

Lockers are assigned to students at the beginning of each school year. Lockers are the property of the school district and are made available for student use. Students must purchase a lock from the school for their hall and gym locker.

The display of inappropriate materials in or on school lockers is not allowed. Students are not permitted to share lockers.

Students should ALWAYS keep their lockers locked and should never share their combination with anyone.

Students are responsible for any illegal substances found in the locker assigned to them. Canine Drug Units will be brought into the building periodically to ensure a drug free environment for staff and students.

Students will also be issued lockers in the physical education department for PE and athletic equipment. This will be handled by the coaches and PE teachers and will be explained by those teachers.

SCHOOL LOCKS

In order to provide a safe, orderly, and drug free environment, all locks used in school must be purchased at the school. Locks not purchased from the school will be removed. The same school locks can be used from 6th through 12th grades.

HEALTH EDUCATION

The Health Education program shall include, but not be limited to, the following major educational areas:

- Human ecology and health
- Human growth and development
- The emotional, psychological, physiological, hygienic and social responsibilities of family life
- Sexual abstinence until marriage
- Prevention and control of disease
- Public and environmental health
- Consumer health
- Safety education and disaster survival
- Mental health and illness
- Personal health habits
- Alcohol, tobacco, drug use and abuse
- Nutrition
- Dental health

The district's Health Education program and Sex Education and Family Life Courses in grades 6-12 include instruction in prevention, transmission, and spread of AIDS.

PHYSICAL EDUCATION POLICIES

EXCUSES:

Only a **doctor's written statement** will excuse and/or reinstate a student from dressing in physical education. All doctor's notes must include the duration of the excuse. If a student is excused from physical education by a doctor, they will not be allowed to participate in any athletic sport.

Notes from parents/legal guardians may not excuse a student from dressing, but may excuse him/her from participating. If the parental request is for more than two days, a doctor's statement is required. If for medical reasons a student cannot take PE, he/she is to present his/her medical statement to the office to go into his/her permanent file.

Students who do not participate in class due to an absence (excused or unexcused) will be required to complete a written assignment. Students who do not participate due to a parent or medical note will be required to complete a daily in class assignment.

PE CLOTHING:

- Students must wear a "Wilmington" shirt and/or sweatshirt, along with purple, black, white, or gray athletic shorts. Shorts must be fingertip length.
- No spandex or leggings may be worn.
- It is recommended that students have a pair of shoes to be used only in gym class. Shoes need to be approved by the physical education teacher.

PE NO DRESS POLICY:

After the 3rd no dress, each additional no dress will result in an after school detention. More severe discipline may occur if students continually refuse to comply with the dress and participation requirements.

PE SUPPLIES:

Each student must purchase a lock from the school.

ATTENDANCE

Regular attendance at school is essential. A child who is frequently absent misses discussion and instruction that cannot be made up. We do not mean, however, to encourage parents or guardians to send a child to school when his or her attendance would endanger the health of his or her classmates; but we do feel that absence for other reasons than illness should be avoided if at all possible.

ATHLETIC/ACTIVITY ATTENDANCE POLICY:

1. Students are expected to be in school ½ of the day on contest dates. Exceptions must be pre-arranged by administration.
2. Any student unexcused from school on a Friday may not compete in events on Saturday.
3. Participants may not attend practice on school days in which they were absent unless pre-arranged by administration.

EXCUSED ABSENCES

1. Fever
2. Vomiting
3. Diarrhea
4. Doctor/dentist's appointment
5. Physician's request (absences longer than three days require a physician's written prescription)
6. Death in the Family
7. Other reasons pre-arranged with the administration

Any student who accumulates two (2) days of absences during a trimester must have a medical note from a doctor for each subsequent absence for the absence to be considered excused. If no medical excuse is brought to the office within 24 hours of the absence, the absence will be considered unexcused.

PROCEDURES FOR ABSENCES:

When a child will be absent from school, parents should, call the school before 9:00 AM on the date of the absence, or send a note with an explanation the date he/she returns to school.

TARDIES (UNEXCUSED) - After 2 tardies per trimester

| Offense | Consequence |
|---------|---|
| 1 | Warning |
| 2 | 30 minutes after school detention |
| 3 | Each additional tardy will warrant a 1 hour after school detention. |

ILLNESS DURING THE SCHOOL DAY

If a student becomes ill or is injured while in school or at a school sponsored activity, every attempt will be made to contact the parent, legal guardian, or designated emergency number as soon as possible so that the student may be properly treated in an appropriate setting.

VACATIONS

District 209-U discourages parents from taking students on vacations during periods when school is in session. Such vacations may disrupt the continuity of a student's learning and create educational problems. Student absences due to vacations must be pre-arranged with the WMS administration at least 2 weeks prior to the absence. This will ensure that work can be collected and sent with the student. The student will be responsible for turning in ALL missing work within 5 days of return. Any in-class projects, tests, and/or quizzes must be made up within 5 days of the student's return.

TRUANCY

When a student is absent from a class without an excuse or is absent for an excessive number of days (10% of the past 180 school days), with or without an excuse, or if a student leaves school property without permission, that student is considered truant. Truancy may include an excessive number of unexcused tardies to school or class with or without an excuse. Parents of students who miss an excessive number of days for medical reasons need to notify the school nurse. *Any student considered truant will be referred to the appropriate local authorities.*

As of the 2001-2002 school year, students who are truant will be subject to the City of Wilmington's truancy ordinance, which includes being ticketed and fined by the local authorities and the possibilities of other judicial proceedings.

Consequence

- Referral to the truancy officer
- Reporting to officials under the Juvenile Court Act
- Referral to the State's Attorney
- Appropriate school discipline

MAKE-UP WORK

Any student missing school because of an excused absence will be able to make-up work that was missed. Please contact the office prior to 9:00AM to request assignments and books. If a student is absent for only one day they will be given the daily homework sheet.

Assignments, test, quizzes and/or any presentations, which were assigned previous to the absence, are due the day of their return to class.

If the absence is five consecutive days or less, the student will be given one day for every day he/she was absent to turn in make-up work without penalty. In cases of extended illness or sickness, in which students need additional time to make up work, such permission must be granted by the administration.

Pre-arranged student absences for part of a day or an entire day(s) will result in the student being responsible for turning in work due upon returning.

Certain violations may be reported to local law enforcement officials.

BOARD OF EDUCATION PHILOSOPHY ON DISCIPLINE

The Board of Education and administration of District 209-U recognize the need to give each student fair treatment in all school matters, especially disciplinary matters. The goal of the district is to develop positive student behavior. Students are expected to demonstrate reasonable behavior and self-discipline. Students who are unwilling to do this will be disciplined.

The following disciplinary code is designated to benefit both students and school personnel. Students are advised of potential penalties for initial and subsequent misconduct. School administrators are given guidelines as to the wishes of the Board of Education in the area of discipline.

Students may be suspended or recommended for expulsion for a violation of school rules. While the principal, assistant principal, and the superintendent are legally permitted to suspend a student from school, expulsion must come from the Board of Education. Notification of student(s) receiving a suspension will be sent by certified mail.

In severe cases of misconduct or repeated violations, the principal may move directly to a 10-day external suspension and expulsion recommendation.

The Board of Education and WMS expect the following:

Students will be subject to all school rules and consequences while riding the bus and while at the bus stop. Depending on the severity of the infraction, the administration may move to more severe consequences.

CLOSED CAMPUS & LOITERING

This school will have a closed campus. Students must have administrative approval and/or a parent sign them out before leaving the school grounds for any reason.

During school hours and school activity hours and for one hour before and one hour after these hours, students may not loiter in any area within 1000 feet of school property. Students guilty of violating the closed campus and loitering policy may be subject to disciplinary action.

COMPUTER TAMPERING / VANDALISM

Computers and technology are an everyday part of being a student at WMS. Students found guilty of any type of tampering with the computer, its software, its operating system, the network, or physical vandalism to the computers may be subject to disciplinary action.

The student may be financially responsible for the following:

1. Assessment of damages
2. Repair or replacement of computer hardware or software
3. All labor costs incurred to repair damages
4. Any taxes or other fees necessary to return the computer to its original condition (if this includes replacement, the student will be assessed the cost to replace a comparable computer or the most current version of the software)

All students are subject to the Wilmington C.U.S.D. #209-U Computer and Internet Use Policy.

DRESS AND APPEARANCE

The guiding principles in determining a dress code for students are as follows:

1. **The school administration will determine inappropriate attire on a case-by-case basis.**
2. Students are not to wear tank tops, halter-tops, or sleeveless shirts and the midriff must be completely covered at all times.
3. Shorts must be of a modest and appropriate length.
4. Pants are to be worn at the waist at all times. No undergarments may be showing. Holes in pants or shorts must be below a student's fingertips.
5. The students should dress in a manner as to reflect neatness and cleanliness in appearance and at the same time be in good taste with both the community and the school.
6. A student has the right to attend classes dressed to suit his/her individual preference as long as personal appearance does not constitute a hazard to his/her health, safety, or welfare.

7. A student's personal appearance must not cause a disruption that interferes with the orderly presentation of classroom materials in the educational process.
8. Most of all, we believe parents/legal guardian should accept the responsibility for determining the mode of clothing their children wear to school. On occasion, however, it may be necessary to consult with the parent when we feel that a student's dress or appearance is not appropriate.
9. T-shirts or other items of clothing/jewelry that depict or refer to alcohol, drugs, tobacco, obscenities, or those that may be offensive to others are not to be worn in school.

DISCIPLINARY MEASURES

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out of school voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following measures:

1. Notifying parents/guardians.
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen or damaged property.
6. In-school suspension.
7. After-school study or Friday study provided the student's parent/guardian has been notified. (If transportation arrangements cannot be made in advance, an alternative disciplinary measure will be assigned to the student.)

8. Community service.
9. Seizure of contraband; confiscation and temporary retention of the personal property that was used to violate school rules.
10. Suspension of bus riding privileges.
11. Suspension from school and all school activities for up to 10 days. A suspended student is prohibited from being on school grounds.
12. Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years. An expelled student is prohibited from being on school grounds.
13. Transfer to an alternative program if the student is expelled or otherwise qualifies for transfer under State law.
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, such as, illegal drugs (controlled substances), "look-alikes," alcohol or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension or expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

CENTRAL DETENTION PROCEDURES

The administration may assign a central detention for misconduct during the school day or any other school-related event. Students and parents should be notified of the central detention. When a central detention is issued, the following procedures will be followed:

1. Failure to report to detention hall, without the permission of the administration, will result in disciplinary action as defined by the administration.
2. Students are to bring a pen or pencil, notebook, paper and textbooks with them to the detention hall in order to constructively use the time as a study hall. Supplementary writing and research projects of a positive nature may be assigned to students who fail to appear to detention hall with adequate work to do.
3. Students who are disruptive in detention hall and/or do not cooperate with the supervising teacher will be removed from detention hall and will be subject to disciplinary action.
4. Students will not be allowed to return to their lockers after serving a detention. They are expected to leave the building immediately and should be picked up at the game entrance on the east end of the building.

Students who skip a central detention will be subject to disciplinary action.

FRIDAY DETENTION PROCEDURES

Friday detention is for more severe or repeated offenses. Friday detention hall is held at WMS from 3:00 to 5:30 PM. Students will be notified by the administration of the date for their Friday detention. Any student arriving after 3:00 PM or who is disruptive during the detention will be removed and will be subject to disciplinary action.

3. Failure to report to Friday detention, without the permission of the administration, will result in disciplinary action as defined by the administration.
4. Students are to bring a pen or pencil, notebook, paper and textbooks with them to Friday detention in order to constructively use the time as a study hall. Supplementary writing and research projects of a positive nature may be assigned to students who fail to appear with adequate material to work on.
5. Students who are disruptive during Friday detention and/or do not cooperate with the supervising teacher will be removed from Friday detention and will be subject to disciplinary action.

Students must be prepared to take tests, quizzes, and present any presentations due when they return for full credit.

7. The student that is suspended is also socially suspended and may not attend or participate in any co-curricular school functions while he/she is on their social suspension. Social suspensions begin the first day of the suspension and may be for a minimum of ten (10) calendar days up to a maximum of one semester.

DUE PROCESS, SUSPENSION, AND EXPULSION

Whenever students act irresponsibly, violate the rights of others, or present an actual or threatened danger to persons or property, the rights to an education may be temporarily forfeited. Procedural due process provides an opportunity for a student to communicate pertinent information, which will be helpful in resolving a situation as soon as possible.

Prior to suspension, the following procedures will be observed:

1. The principal or designated administrator will give the student oral or written notice of improper actions and/or allegations which constitute gross disobedience, disrespect, and insubordination. Moreover, the school official must be prepared to confront the student with relevant information which will confirm the knowledge and/or suspicion that the student was either directly or indirectly involved in the above mentioned improprieties.
2. An opportunity will be given to the student to explain the circumstances surrounding the improper actions and/or allegations in a conference with the school official before any decision is final. The student will then be directly informed whether or not the suspension will be imposed.
3. Students whose presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process may be immediately removed from school. In such cases, the requirements of notice and hearing shall follow as soon as practicable.
4. Students may be suspended for one to ten days for violations or repeated violations.

CORPORAL PUNISHMENT

Corporal punishment is illegal and will not be used. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

RE-ENGAGEMENT OF RETURNING STUDENTS

The building principal or designee shall meet with a student returning to school from an out-of-school suspension, expulsion or alternative school setting. The goal of this meeting shall be to support the student's ability to be successful in school following a period of exclusion and shall include an opportunity for students who have been suspended to complete or make-up missed work for equivalent academic credit.

HOMEWORK & GRADING

HOMEWORK

Homework will be assigned in every class. Your student will be expected to complete all assignments on time and to a high degree of quality. Not doing homework will result in poor or failing grades. Each student will be subject to his or her grade level's homework policy.

PROGRESSIVE LATE HOMEWORK POLICY

There are three levels of academic work defined precisely as:

PRACTICE – Any daily/practice work that aides in the learning process. Percentages and due dates are determined by the individual teacher.

ASSIGNMENTS – Any daily/assigned work that is a direct transfer of the practice into performance. Percentages and due dates are subject to the progressive guidelines listed below.

TEST/QUIZZES – Any formal assessment of practice and/or performance goals. Percentages and due dates would not apply because the student must complete these while at school.

Progressive Homework Guidelines

The method of grading consists of four passing grades and one for failure based on the following methods:

| | |

A parent/guardian or eligible student should submit to the Records Custodian, Principal, or other appropriate official, written requests that identify the records (s) they wish to inspect. 4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity,

function, or program or from the use of technology or an electronic device that is not owned, leased, or used by a school district or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This item (4) applies only in cases in which a school administrator or teacher receives a report that bullying through this means has occurred and it does not require a district or school to staff or monitor any non-school-related activity, function, or program.

School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers,

desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there. This paragraph applies to student vehicles parked on school property. The Superintendent may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the District's student conduct rules. The search itself must be conducted in a manner that is reasonably related to its objective and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

When feasible, the search should be conducted as follows:

1. Outside the view of others, including students,
2. In the presence of a school administrator or adult witness, and
3. By a certificated employee or liaison police officer of the same sex as the student.
