ELIGIBILITY (PROVISIONS)

Optional Language for Considering Summer School Grades: In the event a student finds that he/she is academically ineligible to participate in extra/co-curricular activities in the first quarter of the upcoming year, he/she may request that current summer school grades be added to the grades received in the spring quarter and that the total spring quarter and summer school grades be used to determine eligibility for the first quarter of the upcoming school year. Summer school grades can only help a student with eligibility. Summer school cannot hurt the overall grade point average.
