Paraprofessionals Schedules for Distance Learning

Paraprofessional/Aides schedules will mirror the teacher's schedule as far as instructional time, breaks, and lunch is concerned. Release and start times are to remain the same as regular.

Yard duty supervisors will be utilized to assist in watching staff children in a designated room if there are any. Additionally, the yard duty staff might be utilized to assist the Community Liason in going to students' houses that are not logging in and are enrolled at our school. Hours for yard duty staff are to remain the same as before the shift to distance learning.
