Mark Twain Elementary School School Accountability Report Card Reported Using Data from the 2019-2020 School Year Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/lg/ta/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest
DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard
The California School Dashboard (Dashboard) <https://www.caschoolsdashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

What is a SARC?

A SARC or "School Accountability Report Card" is an annual report to the parents of California's school children and is required by the State of California. The SARC provides parents with mandated information about the overall performance of the school their child attends. Demographics, student testing data, teacher qualifications, textbook sufficiency, and school safety are among the many areas that are covered in this report. If you have any questions about the contents of this report, please contact your child's school, the district office or visit the state's website at www.cde.ca.gov/ta/ac/sa/.

¿Qué es un SARC?

Un SARC o "Informe de responsabilidad escolar" es un informe anual para los padres de los niños en edad escolar de California y es un requisito del Estado de California. El SARC proporciona a los padres información obligatoria sobre el desempeño general de la escuela a la que asiste su hijo. La demografía, los datos de las pruebas de los estudiantes, las calificaciones de los maestros, la suficiencia de libros y la seguridad escolar se encuentran entre las muchas áreas que se tratan en este informe. Si tiene alguna pregunta sobre el contenido de este informe, comuníquese con la escuela de su hijo, la oficina del distrito o visite el sitio web del estado en www.cde.ca.gov/ta/ac/sa/.
