

SUCCESSFUL SEPTEMBER!

It is that time of year again! The learning begins, but our children are learning remotely from home. We are still in Phase 3 in which we will continue to conduct our personal visits and Group Connections virtually.

We have achieved Blue Ribbon status because we are working together for the benefit of our children. We must continue to help our children improve their developmental skills. We want to assist you in building a strong educational foundation for our children.

The Birth to Three Program is ecstatic to welcome Mrs. Villanueva to our program. She is a Bilingual Parent Educator who has so many positive attributes, and she has a wealth of knowledge and experience. Mrs. Villanueva is looking forward to meeting and working with you. We want to immensely thank Mrs. Gonzalez for the outstanding job she has done in conducting Personal Visits with me since March.

We are so excited that many of you are returning, and we are welcoming new families into our program. We have several Birth to 3 children who have or will transition into our Bellwood SD 88 Early Childhood (ECC) Program. We will recognize our children at the September Group Connection and present their certificates. Also, please join our Group Connection in order to get information about the book bags, coats, and materials we will be distributing to families.

We are establishing a PARENT ADVISORY BOARD. Please consider serving on this Board. As a member, we will discuss the needs of our program and concerns of the families.

Dates to Remember

September 7, 2020-Labor Day Holiday- no visits

September 25, 2020- Virtual Group Connection at 11:00 AM. A Zoom link will be sent to everyone. We would like to see everyone!

Quotation

“Life Is Just a Minute” “I’ve only just a minute, Only sixty seconds in it. Forced upon me, can’t refuse it. Didn’t seek it, didn’t choose it, but it’s up to me to use it. I must suffer if I lose it, give an account if I abuse it. Just a tiny little minute, but eternity is in it”. Dr. Benjamin E. Mays
