Library Media Center Student Guidelines

The library media center contains a large collection of reading materials and resources for your research and pleasure. Each student checks out materials on their student number. Any items checked out on a student’s number are that student’s responsibility. Do not let others use your library number or borrow materials checked out in your number. General rules include the following: no food or drinks in the library; use your time wisely; be courteous to those around you; be quiet at all times; and check out materials before leaving the library. Two items may be checked out at one time. Books and/or other materials that are lost or damaged will be paid for by the student. Failure to follow library guidelines could result in a student being sent back to class or other appropriate disciplinary actions. Please see the synopsis.
