

DEADLINE is DECEMBER 31!

Your state tax credit contribution:

It costs you nothing.

It means everything

Your tax contribution makes a difference in the lives of our students. And choose where your money goes.

A.R.S. 43-1089 was enacted by the Arizona State Legislature to encourage taxpayers to support school extracurricular activities that are optional, non-credit, and educational.

This works as a dollar-for-dollar reduction in the actual Arizona State Tax you owe. You may donate up to \$400 for a joint return and up to \$200 for an individual return; then subtract those amounts from your tax bill. The due date for tax credit donations is December 31 of each year.*

Every dollar counts so you may donate as little or up to the amounts listed above.

*Always consult your tax professional and the Arizona Department of Revenue Guidelines

YES! I would like to contribute to the Seligman Unified School District Tax Credit Program
