MINUTES

I. OPENING ITEMS

- A. Call to Order**—Called to order at 3:34 P.M
- B. Roll Call**—Joanne Curley, Stephen Knott, James Phillips and Ben Emery present

III. NEW BUSINESS

A. Softball & Baseball Fields improvements—Suggestion to create a Mutli-Purpose Field by seeding the in-field of the Baseball Field. This will create an area that can be utilized for soccer and other sports, giving us the opportunity to host soccer games for our middle school. The in-field of the Softball Field will have dirt added this spring.

B. Football Field and surrounding grounds—Suggestion to utilize this area for Teacher Housing. The utilities are already available in that area. It would be a phasing project. This would also help rid prairie dogs from the area

C. Updates on current athletic facility projects of the School Board—Gym Floor Inc. will be coming out to look at options for Locker Room floors. They will determine if an epoxy or stain would be best. The Gym wall will have a mural painted on it. The mural is of an antelope with the Fight Song. Softball fields will be seeded.in the next couple weeks.

Adjournment—Meeting adjourned 4:17 P.M.
