

Dear Families,

Greetings and welcome to the Valley View Preschool program. We are excited to partner with you in providing your child with the most positive early learning experience possible.

Our program will serve up to 60 preschool children with a comprehensive 6-hour program four days per week and 3.5 hours on Thursdays. Our ESS classroom also serves our children with 2 separate sessions. The morning session is 2.5 hours on MTW. The afternoon session is 3 hours on MTWF. Students are assigned to classrooms based on their unique learning needs and will be provided specials such as art, music, PE, and library each week. We have 3 certified teachers and 3 paraprofessionals on staff as well as professional staff to provide special services such as speech and OT/PT if your child has such a need.

We are able to offer transportation to students within district boundaries.

We look forward to the opportunity to get to know you and your child as we strive to provide whatever it takes to provide your child an outstanding and positive school experience.

Sincerely,

Della Thompson
Preschool Director
