

END OF SCHOOL YEAR 2020-2021

Important Information from the Principal

June 2021

Greetings To All of the Mammoth-San Manuel PK-12 Families,

We can officially say that we made it to the FINISH LINE of this crazy year! Wow, what a journey and an accomplishment all at the same time. As I mentioned in previous newsletters, this has definitely been a team effort. A round of applause goes out to everyone who was a part of the educational team!

While it may seem as if we can take a little bit of a breather before getting ready for next year, no such luck since we are in the process of hiring staff, preparing facilities and getting ready for registration in July. I have listed some important dates below to make sure that you are aware of them and can mark them on your calendar.

Lastly, we appreciate everyone who turned in their school devices (Chromebooks, iPads, chargers, hot spots etc.) in a timely manner however we still have some devices that have not been turned in. It is important that we get them back as soon as possible to update them for next year. You can drop them off at the front office.

Please make sure that your child stays active this summer reading, doing math games, and getting exercise. Some of our sports teams are participating in summer camps and Community Schools has options for students as well. Our summer lunch program will continue through June 2021.
