

	Sentinel Elementary School District, #71		53802 W. US 80 Sentinel, AZ 85333
	Amendment #2		
	IFB: 20-03-21 PROJECT: Phase 2: Replacement Well at Sentinel Elementary School	Page 1 of 2	

March 1, 2021

This amendment is released to all interested parties.

1. A request for an extension of the due date and time has been received. The request follows the need for services and materials headed to Texas to deal with the Disaster there.
2. The extension is granted. Bids are Due March 17, 2021, by 11:00 AM. A new bid label follows on the next page.
3. Just a reminder. The engineer made inquiries regarding the pump for the project. "Current lead time for this still looks like 3-4 weeks. It shows as a non-stock item that is engineered to order from Grundfos. Along with that, with the inclement weather they have been experiencing in Texas all week I imagine they are going to be a little backed up for the next few weeks so a 4-5 week estimate would probably be a safer bet."
4. Additionally, we've been working with Brandon Dixon at Phoenix Pumps Inc. He can be reached at 602-491-0960/, or email at bdixon@phoenixpumps.com.
5. All other terms and conditions remain the same.
6. Please remember to acknowledge this Amendment #2 with your offer.
7. End of Amendment #2.
