

# Blue365 Deals

Available to Blue Cross and Blue Shield members\*

Blue365 offers access to health and wellness deals exclusive to Blue members. Blue365® is a program sponsored by participating local Blue Companies that helps you stay healthier, for less. Since 2007, Blue365 has offered discounts for members to save on products and services for a well-balanced lifestyle. These “Blue365 Deals” (which are different than the healthcare benefits that you have with your local Blue Company) can

help you maintain a healthy lifestyle, while spending less at some of your favorite Blue365 Vendors nationwide.

Blue365 provides members of participating Blue Companies with access to a wide range of savings from top health and wellness brands around the country plus some of your favorite local companies. You’ll see weekly “Featured Deals” and long term “Ongoing Deals” on healthy products, along with **discounts on health and fitness clubs, weight-loss programs, healthy travel experiences and so much more.** Blue365 is not another type of health coverage - Blue365 is separate from the healthcare benefits you receive from your local Blue Company. Living well goes beyond the doctor’s office, and Blue365’s goal is to help you save on the healthy choices you make every day. **\*You must be a subscriber to a District-sponsored health benefit plan to be eligible for these savings.**
