

Updated Warwick Institute Master Virtual Schedule 2020-2021

*Note that the virtual master schedule is a replication of the in-person schedule that staff and students will follow when we return to our normal schedule. However, the virtual schedule consists of both a synchronous and asynchronous approach to learning. Please see details below:

Pre-kindergarten classes

- Synchronous learning periods 1st 2nd and for the first (20) minutes of 3rd period.
- Synchronous learning via breakout sessions for last (20) minutes of 3rd period and 4th period.
- Synchronous learning 7th period for closeout gross motor exercise.
- Asynchronous learning will occur periodically with parent or teacher guidance.

Grades 1-5 ELA Humanities and Math Workshop Block:

- Synchronous learning first period of each block. Asynchronous learning or independent work offline during the second period of each block. Asynchronous learning will occur periodically.

Elective & Single Content Period Classes

- Synchronous learning for first (20) minutes of period. Last (20) minutes students are exposed to Asynchronous learning or work independently offline. Times may be altered based on teacher discretion and context of lesson.
